<b>TOTAL HOURS = 69</b>							

+ research

NOTE: The Ed.S. degree is 69 total graduate hours. Of those, 30 must fall within the 10 year degree limit, and 15 must be completed at UNO after acceptance to the program. If required course has been taken previously, it is not retaken; an elective is added to make the total required hours.

This degree completes the coursework needed for Nebraska Superintendent Certification. Additional work may be required by other states for certification.
