MARCH 23, 2022
6:00 P.M. to 7:30 P.M.
https://leadingforequityineducation.eventbrite.com

Join us for an evening of scenario-based e-learning examples. You will choose to participate in either the online scenario and discussion titled “Difficult Conversations - Race” OR “Cultural Competency”. These simulations are experiential learning tools that emulate real-world scenarios in a “choose your own adventure” format. Table discussion leaders are current and aspiring educational leaders from our local community.
