Speech-Language Pathology Intervention Policy, Rev. 8/15/23

Every course/clinic assignment in the speech-language pathology program is connected to the Council for Clinical Certification in Audiology and Speech-Language Pathology (CFCC) along with the Council on Academic Accreditation Standards (CAA). CFCC and CAA Standards are found in each course syllabus and must be successfully met for the course to count toward certification by the American Speech-Language-Hearing-Association (ASHA). Please refer to ASHA's website for more information on CFCC and CAA standards: Council for Clinical Certification in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association. (2018). 2020 Standards for the Certification of Clinical Competence in Speech-Language Pathology (retrieved from https://www.asha.org/certification/2020-slp-certification-standards/).

https://caa.asha.org/siteassets/files/accreditation-standards-for-graduate-programs.pdf.

An intervention is required for any grade at or below a 'C+' on any class requirements. Individual arrangements will be made, in writing, for the intervention. The ***first*** score earned will be retained for course grading, while the intervention assignment will be used to meet the CFCC/CAA competencies. If a student's overall grade for the course is at or below a 'C+', intervention assignments MUST have been completed to the satisfaction of the instructor or the student may need to retake the class. (See Graduate Catalog, Quality of Work Standards). https://catalog.unomaha.edu/graduate/grades-quality-work-standards/qualityworkstandards/

When a student requires more than two (2) interventions on assignments across all courses in a given semester, an Action Plan that rigorously evaluates student performance and identify strategies for improvement will be implemented by the student and the faculty member(s) involved.

When a student requires more than two (2) interventions within the same course in a semester, the student's final grade in the course will be lowered by one (1) letter grade.
