

ON-TIME PROGRAM COMPLETION RATES (THE MOST RECENT THREE YEARS)

- “The CAA interprets the published time frame as the number of terms an individual student was enrolled in the program. The terms do not have to be consecutive, but the total number of terms must meet the program’s expected time frame for completion. University-approved leaves of absence (e.g., for reasons of health, maternity/paternity, mission work, military assignment) do not count toward the number of terms a student was enrolled in the program” (CAA, 2017).
