ABOUT DR. HAMEL

Dr. Hamel is the Acting Associate Chief of Staff for Research at the Veterans Affairs Medical Center in Omaha, NE. He is also a Professor in Internal Medicine Division of Diabetes, Endocrine & Metabolism. He received his B.S. from the University of Illinois-Urbana, and his Ph.D. from Indiana University – Indianapolis. Dr. Hamel has been with the VA for over 20 years. He will be discussing research opportunities within the VA Nebraska-Western Iowa system.

LEARNING OBJECTIVES

• Describe the focus of VA research.
• Explain the organizational structure of the VA Research Service, nationally and locally
• Describe the process for approval of research protocols at the VA
• List the types of research opportunities within the VA
• List sources of information about VA research

The presenter, Frederick Hamel, Ph.D., and the planning committee, Nick Stergiou, Ph.D., Jeffrey Kaipust, M.S., Angela Collins, B.S., and Jackie Farley, CPP have no financial conflict of interest to disclose.
