A Message from the Chair

A belated welcome back for the Spring Semester. Like you, the Department has already had a busy semester. I'll try to be brief, but please feel free to stop in and talk with me anytime. First, we are very pleased to announce that Ashley Blount will be joining us next Fall as our **new faculty member**. A native of Wisconsin, Ashley is completing her doctoral work in Counselor Education and Supervision at the University of Central Florida and will be joining us in August. We're all looking forward to having her on board! Less exciting, but no less important is the fact that our **CACREP re-accreditation self-study** has been submitted. We are hopeful that the formal CACREP site team visit will occur in the Fall 2015 semester. I'll continue to update you on any CACREP visits and schedules as they become available.

There are several additional items of note. First, the Department will be forming a **Chair's Advisory Committee**. This committee will be made up of students from each departmental program as well as a member of the professional community and program

Additional items to note include the following:
