Section I: Purpose & Expectations

The COUN 8260 course (Advanced Internship) provides opportunities for students to demonstrate competence with increasingly complex and diverse client caseloads. COUN 8260 interns will provide direct and indirect counseling services under the supervision of UNO Counseling Department instructors and licensed mental health professionals at their respective internship sites. Internship experiences build on practicum experiences, focusing on both personal and professional development. In particular, attention is given to the continued development and refinement of counseling skills and the provision of ethically and culturally competent counseling services to diverse clients.

This manual describes the policies and procedures for COUN 8260. Documents required for the successful completion of the course are provided with appropriate timelines for submission as needed. All UNO Counseling Department instructors, COUN 8260 interns, and site supervisors must abide by the policies and procedures herein. The UNO Counseling Department’s clinical mental health counseling concentration (CMHC) is accredited under the 2009 standards of the Council for the Accreditation of Counseling and Related Programs (CACREP, 2009).

Key/CACREP Terminology

DIRECT SERVICE – face-to-face interactions that involve the application of counseling skills. Individual, group, couples, and family counseling are examples of direct service.

INDIRECT SERVICE – all miscellaneous activities related to Internship that are not direct service. Engaging in supervision, clinical documentation, treatment planning, and participating in professional staff meetings are examples of indirect service.

CLINICAL COORDINATOR – a member of the faculty appointed to coordinate the administrative aspects of the program’s Internship and Internship courses.

SITE SUPERVISOR – a licensed mental health professional serving as the immediate and direct supervisor of the Internship student at the site.

Professionalism

COUN 8260 interns are expected to act and dress in a professional manner at all times at their site and in the classroom. Professionalism also includes, but is not limited to:

1. Punctuality to all COUN 8260 classes and supervision sessions (individual/triad);
2. Punctuality to all COUN 8260 site activities including, but not limited to: Counseling sessions, clinical supervision, meetings/staffing, etc.);
3. Professional attire at internship site is expected, consistent with site policies and culture.
4. Openness to constructive feedback from peers, instructors, site supervisors/managers, and site/program staff;
5. Completion of all required course and site-relate documentation in accordance to course and site deadlines, respectively;
6. On-site engagement for full/official COUN 8260 semester regardless of number of completed direct/indirect hours.
7. Adherence to current American Counseling Association (2014) ethical standards and UNO Counseling Department/UNO student code of conduct.

**UNO Holiday and Weather Closure Schedule**

COUN 8260 interns may continue to see clients for direct service hours during official UNO holidays/semester break/weather closures/student holidays with the written approval of an approved site supervisor (Appendix O). This policy assumes the student’s approved site supervisor will be on-site during these dates/times.
Section II: Policies & Procedures

Prerequisites
A minimum grade point average of 3.00 (“B” average) on all graduate work and a grade of “B” or better in all pre-reqs is required for enrollment in COUN 8260. A grade of “B” or higher in COUN 8250 is required for enrollment in COUN 8260.

Enrollment**

**Enrollment in COUN 8260 requires a permit from Department Chair.

Due to CACREP (2009) faculty/student ratios, enrollment in COUN 8260 is limited and not guaranteed. Enrollment in COUN 8260 may also be delayed if/when department faculty finds that a student has engaged in or displayed conduct that is inconsistent with departmental and/or professional counseling standards (ethical/academic/personal). Priority enrollment for COUN 8260 is given to full and part-time students who have maintained consistent progress toward their degree and completed COUN 8220 with a grade of B or better the previous semester. Priority enrollment is provided to students who completed COUN 8220 with a grade of B or better the previous semester. Prospective COUN 8260 interns in good academic standing with the department unable to enroll due to enrollment limits will be prioritized for enrollment the following semester to ensure consistent progress toward their degree.

Internship Site(s)

While faculty advisors and the CMHC clinical coordinator will assist students in identifying sites, COUN 8260 interns are responsible for securing their internship placement. This includes identifying and contacting a site, securing/completing an interview (if required by the site), and formally accepting or declining any offer from a site. Students should meet with their advisor and/or the CMHC Clinical Coordinator well in advance of their COUN 8260 semester to discuss possible sites.

Internship Site List

- The department’s “Internship Site List” is found on the department’s webpage and, while updated each summer, should not be considered a complete list.
  - Students are not allowed to accept internship sites not on the department’s posted internship list without approval of the CMHC Clinical Coordinator.

- Potential sites not listed on the official internship site list should be brought to the immediate attention of CMHC Clinical Coordinator (CC).
  - The CC will contact the potential site in order to confirm the site’s viability for internship.
Additional Items:

1. **Internship is competitive and not guaranteed.** When necessary, students should begin the process of identifying and securing a site as early as possible during the semester prior to their expected COUN 8260 enrollment.

2. Internships are unpaid. Some sites may offer a stipend, which may be allowed with the approval of the clinical coordinator. COUN 8260 interns should contact the clinical coordinator immediately if a site offers any/all type of financial incentive.

3. **Students cannot use a current job for COUN 8260 hours.** However, students may complete an internship at their current place of employment under the following parameters:
   a. The site/position is verified by the clinical coordinator and aligns with all Internship guidelines in this manual.
   b. **The internship position is qualitatively distinct from the student/student’s current position as an employee of the site.** This distinction will be made by the Clinical Coordinator.
   c. The site/activities is/are consistent with the activities of a licensed professional counselor (i.e., individual, group, crisis counseling, biopsychosocial assessment, documentation) --not a paraprofessional position.
   d. Violation of any/all of these requirements may result in immediate termination from COUN 8260 and a mandated review of student’s actions by the department.

4. All contact with a site, beginning with your initial phone call, requires professional behavior (you could be talking to your future employer!)

5. COUN 8260 interns should provide site supervisor(s) with the UNO Counseling Department website and link to the internship manual.

   **Students should be prepared to provide potential site supervisor(s) with a hard copy of the internship manual if requested.**

6. COUN 8260 interns are expected to be knowledgeable of Internship requirements at all times—when interviewing for an Internship position (e.g., direct/indirect hours, clinical supervision needs, documentation, course requirements, etc.).

**Background Check**

The Counseling Department does not require a background check for COUN 8260. However, students may be subject to a background and/or substance use screen by their potential clinical site.

**Professional Liability Insurance**

COUN 8260 interns should remember that liability insurance is generally based on 1 year intervals and, as such, liability insurance purchased at the outset of COUN 8220 (practicum) will expire prior to the completion of COUN 8260—and must be renewed in order to continue in COUN 8260.

COUN 8260 interns must provide written verification of professional liability insurance prior to completing direct client contact hours. Liability Insurance can be purchased through HPSO at a
reduced student rate through the American Counseling Association (student members of ACA are able to secure liability insurance as part of their membership).

**Site Orientation**

COUN 8260 interns may be required to attend an official orientation at their site. Students are allowed to complete these orientations prior to the official start of their COUN 8260 semester; however, **students shall refrain from any/all direct client contact at their internship site until the official start of the academic semester and permission is provided by their COUN 8260 course instructor.**

**On-Site Video-Recording & In-Class Presentation**

The following procedure are mandated to ensure on and off-site video/audio recordings of clients for COUN 8260 requirements are HIPAA compliant. COUN 8260 interns should refer their site supervisors to the Clinical Coordinator (Dr. Kissinger; dkissinger@unomaha.edu) for additional information regarding these procedures.

Procedure:

After securing written consent from client and or legal guardian:

1. COUN 8260 intern checks out Ipad from College of Education Technology Office (Roskens Hall 405; 402-554-2939). May need to reserve Ipad in advance.
   i. No personal recording devices are allowed (phone/computer/ipad, etc).
2. COUN 8260 intern video/audio records session on COE Ipad.
3. Following session, **and prior to leaving the internship site**, the COUN 8260 intern must complete the following procedures:
   a. Download the session directly from COE Ipad into the UNO HIPAA-compliant **“Box”** system (See Appendix P: Ipad/Box Procedures)
   b. Confirms session is in the “Box” system w/non-identifying name.
   c. Upon confirmation of session, intern deletes the session/empties trash from the COE Ipad. This must be done before leaving the internship site.
   d. Student returns Ipad to COE Technology Office; Technology Office will re-boot Ipad, completely erasing session from Ipad.
4. For in-class presentation, COUN 8260 intern accesses the recorded session in “Box” & presents their case.
5. Immediately following the conclusion of student’s presentation, the student deletes (and confirms) the recorded session is deleted from their “Box” account.

**Termination from Site**

The UNO Counseling Department-and all internship sites associated with the UNO Counseling Department-retain the right to terminate a COUN 8260 student prior to or during the internship semester if it is determined by the UNO Counseling faculty and/or site supervisor(s)/administrator(s) to be in the best interest of the student, site, client(s), the UNO Counseling Department, and/or any other invested party. The process for addressing a potential termination is as follows:
a. During the COUN 8260 semester, COUN 8260 course instructors and site supervisors/administrators are responsible for identifying student issues that may require intervention by the COUN 8260 instructor, site, and/or COUN department. COUN 8260 Instructors and/or site supervisors/administrators shall document their concerns using Appendix M: Supplemental Evaluation and provide a copy to the appropriate other parties (i.e., COUN 8260 or site supervisor(s)/administrators).

b. The COUN 8260 course instructor will seek to resolve the issue/concern directly with the identified intern and site supervisor/admin.

c. If a satisfactory resolution is not achieved between the COUN 8260 instructor and student/site, the COUN 8260 instructor will report the issue/concern to the Clinical Coordinator. All documentation/communication concerning the issue/concern will be provided to the Clinical Coordinator.

d. The Clinical Coordinator will seek to resolve the issue/concern. If an acceptable resolution to all parties cannot be found, the student may be terminated from the site with documentation that includes-but is not limited to: a) initial issue(s) leading to termination, attempts made to resolve the issue, and the final reason for termination. All documentation will become part of the student’s official clinical file.

e. If the intern was terminated from a site due to circumstances outsight their control, and the intern’s personal and professional conduct is not in question, the clinical coordinator shall help the student find another placement site. However, the UNO Counseling Department cannot guarantee that a suitable alternative site will be available the same semester. If no alternative site is available, the student will work with the Clinical Coordinator and/or department chair to address enrollment/tuition/grade related issues.

f. If the intern was terminated for cause based on their personal and/or professional conduct, the student shall appear before the department’s Graduate Review Committee within 7 business days of the site termination date. While the student is required to appear in person, site supervisors/administrators may choose not to attend and may submit written testimony or documentation regarding the site’s official termination decision.

i. The Graduate Review Committee will review all available information regarding the termination in order to determine what, if any, action should be taken against the student. Options available to the GRC range from an intentional remediation plan to dismissal from the department. Written notification of the GRC’s decision will be provided to the student and additional practicum site stakeholders (i.e., site supervisor/site manager) within 10 business days of the GRC final decision.
Change of Site Supervisor

The following actions must be taken when a change of site supervisor is needed:

- COUN 8260 intern immediately informs their course instructor of a needed change in their site supervisor.
- COUN 8260 intern cannot provide direct service hours until a new site supervisor has been approved by the Clinical Coordinator.
- An updated Appendix C must be completed and placed in student’s clinical file.

Section III: Responsibilities

Program and Site

The agreed upon guidelines, roles, and responsibilities between the UNO Counseling Department and the Internship site are noted in the signed Affiliation Agreement. The Clinical Coordinator will work with the site to complete this document. A copy of the official document will be kept in the department.

Ethical, Legal, and Professional Conduct

COUN 8260 interns and site supervisors/administrators with counseling degrees are governed by the following Ethical and Legal codes**:

- American Counseling Association Code of Ethics (2014)
- The 1993 Association for Counselor Education and Supervision’s Ethical Guidelines for Counseling Supervisors.
- All legal statutes governing counseling practice for the State of Nebraska.

NOTE: COUN 8260 interns may also be supervised by Licensed Psychologists, Licensed Social Workers, Licensed Marriage and Family Therapists (LMFT), or Psychiatrists (M. D’s). While there is overlap among professional ethical codes, COUN 8260 interns are expected to adhere to the American Counseling Association Code of Ethics (2014) at all times. Questions concerning potential discrepancies or misunderstandings regarding ethical standards among different mental health disciplines should be addressed immediately with the course instructors and site supervisors.

Roles & Responsibilities

COUN 8260 Intern

- Complete and submit all required course and site documentation within timeframe outlined by department in this manual or by site supervisor/administrator.
- Be punctual and prepared for all scheduled classes (and case presentations), client sessions, and individual/triadic supervision.
- Behave and dress in a manner expected of a professional counselor.
- Know and follow the Internship guidelines and requirements outlined in this manual.
- Learn and abide by the policies and procedures of the Internship site.
• Seek clarification immediately from course instructor, site supervisor, and/or clinical coordinator immediately when unsure on any policy, guideline, or potential action.
• Know and abide by the 2014 ACA Ethical Code at all times.
• Integrate and apply knowledge from all previous courses.
• Create audio/video recordings of sessions for weekly/group supervision. If audio/visual recordings of sessions are not available, work with site supervisor to set up weekly live supervision**.
  o **Inform course instructor if above standard is not being met at site.
• Ensure that computers and other electronic devices are compatible with site equipment and have clear/audible video and audio prior to presenting cases in class.

COUN 8260 Course Instructor

• Teach the course consistent with the course description given in the UNO Graduate Catalogue and key CACREP standards for the course as determined by the UNO Counseling Department.
• Follow departmental policies/procedures outlined in this manual.
• Model ethical/professional behavior and ensure that COUN 8260 interns and all relevant stakeholders follow appropriate ethical and legal standards.
• Provide minimum of two (2) hours per week of course instruction/group supervision.
• Ensure student is presenting video/audio recordings for review in class-and completing accompanying written documentation. In cases where student is not allowed to video/audiotape client sessions, supervisor must ensure site supervisor completes and records 1 hour per week of live supervision.
• Complete all required documentation and secure in student’s clinical file; Maintain accurate records of all required Internship documents.
• Maintain on-going communication with student’s site supervisor (max of 2 week intervals) and complete a minimum one site visit to meet with site supervisor and assess student performance.
• Document bi-weekly “check-in” communication with intern’s site supervisor.
• Be responsive to the needs of COUN 8260 interns and site supervisors, including providing prompt responses to all email and phone communications from COUN 8260 interns, site supervisors, and clinical coordinator.
  o Note: All email communication between UNO course instructors and COUN 8260 intern must communicate using their official UNO email addresses.
• Coordinate with Clinical Coordinator and/or appropriate site personnel when warranted according to policies or procedures (e.g., concerns/issues at site, alleged misconduct (student and/or site personnel, clarification of direct/indirect hours, etc.).
• Challenge COUN 8260 interns to be critical thinkers as well as ethical and reflective practitioners.
• Complete and submit all required department level program assessment requirements/materials (VIA assessments & Course Level Assessment document).
• Submit final grades through Mavlink in timely manner (1 week post official end of
• Be responsive to UNO Counseling Department clinical coordinator and/or department chair.

**COUN 8260 Site Supervisor(s):**

- Ensure COUN 8260 intern is able to complete required number of direct hour client contact hours. Work with course instructor and/or clinical coordinator as needed.
- Provide minimum one (1) hour of weekly on-site individual/triadic supervision to COUN 8260 intern.
- Facilitate COUN 8260 intern’s ability to complete video recorded counseling sessions. If video recording is not allowed at site, provide 1 hour of live supervision per week and complete Appendix F for student’s clinical file.
  - **See: On-Site Video-Recording & In-Class Presentation**
- Site supervisors are responsible for coordinating a replacement/secondary supervisor for UNO Internship student if they will be absent from the site.
- Communicate promptly with student’s course instructor and/or clinical coordinator concerning issues related to student conduct issues (personal and/or professional).
- Complete mid-term and final student evaluations.
- Respond promptly to all email and phone communications from COUN 8260 interns, site supervisors, clinical coordinator, and/or department chair.
- Maintain proper documentation (e.g., signing hour logs) and complete all required documentation in a timely manner.
- Be aware of and follow all policies and procedures in related to site supervisors in the manual and seek guidance from the Clinical Coordinator and/or Department Chair when necessary.
Section IV: Internship Requirements

Direct and Indirect Hours

COUN 8260 interns must complete a minimum of 130 direct client contact hours and a minimum of 170 indirect hours for a minimum of 300 total clock hours.

COUN 8260 interns should give considerable forethought to the amount of time required to complete internship hours-and how to balance COUN 8260 internship requirements with other personal and professional commitments. To obtain the required direct hours, students should expect to be on site at their site between 15-20 hours per week. Additional hours may be required given the tendency for client “no-shows”, holidays, weather closures, etc.

Individual/Triadic and Group Supervision:

COUN 8260 COUN 8260 interns are required to have 1 hour of individual/triadic supervision per week for a minimum of 15 hours. COUN 8260 interns cannot “double-up” on supervision hours to make up for missed weekly supervision. Site supervisors shall be licensed mental health practitioners in the state where the student is completing their internship and have a minimum of two years of professional/clinical experience.

Summary & Clarification of Hours/Supervision

Required Direct Hours

- 130 direct hours, minimum:
  - To be counted as direct, COUN 8260 intern must be an active participant (“co-therapist/minimum) in a session to count as “direct hour”.
    - NOTE: “Shadowing” = indirect*
  - Direct Hours include:
    - Individual/Couples/Group/Crisis counseling
    - Biopsychosocial interview/intake assessment
    - Presenting a case at a “staff meeting” or during class (“group supervision”)
  - COUN 8260 interns must complete 85% of their direct and indirect hours to receive a letter grade for the course. A grade of “I” may be given if the 85% threshold is not met and students will be required to complete the minimum COUN 8260 hours prior to receiving a letter grade for COUN 8260.

Required Indirect Hours

- 170 indirect hours, minimum:
  - Case management services, including documentation/treatment planning outside of session.
  - Research/readings consistent with internship site, counselor development, and client population.
  - Review of clinical files/documentation
  - Review of peer-reviewed literature or other appropriate readings consistent with Internship requirements/client population/professional growth.
• COUN 8260 class counts as indirect hours (label as “group supervision” on Appendix F).
• Attendance at staff meetings without presenting a case.
• Note: Activities such as driving/picking up clients from appointments or errands are considered indirect services and should be done **only** when an employee from the site is the primary driver and the task is directly related to client care.
  o **COUN 8260 interns are prohibited from driving clients in their personal vehicles.**

**Individual Supervision**
- **1 hr/week minimum; 15 hrs. minimum per semester**
  - Face-to face supervision with documented site supervisor.
  - Tele-supervision is allowable, but site supervisors are expected to be on-site unless otherwise addressed with the student.
  - COUN 8260 interns are not allowed to see clients or engage in other clinical responsibilities if they are not receiving the appropriate supervision each week.
  - May blend with triadic hours
  - Live supervision must be substituted in lieu of being able to video or audio record client session for case presentations in class. Site supervisors must complete/sign Appendix N for all live supervision sessions and provide a copy to COUN 8260 interns for their clinical file.

**Triadic supervision (may substitute for individual supervision)**
- **1 hr/week minimum; 15 hrs minimum per semester**
  - Face-to-face supervision between site supervisor and no more than 2 COUN 8260 interns.
  - Site supervisor(s) must be approved by the Clinical Coordinator.
  - Minimally, COUN 8260 interns must have the ability to directly communication with the verified site supervisor(s) or secondary site supervisor (when approved) while on site. When this is not possible, COUN 8260 interns will be restricted to indirect hours while on site.

**Group Supervision (AKA, COUN 8260 class)**
- **Minimum 2 hrs/week**
  - Group supervision = face to face supervision with course instructor and three or more COUN 8260 interns in class.
  - Weekly class periods are recorded under indirect services**.
    **The student’s own case studies presented in class can be counted as direct hours-the only time direct hours are allowable for group supervision.
  - Group supervision hours are independent of required individual/triadic hour requirements.

**Note:** Additional supervision may be required per the discretion of the course instructor, site supervisor, or clinical coordinator.
Section V: Evaluation

COUN 8260 interns will receive formative and summative evaluation during the semester.

1. **Formative Evaluation:** Involves consistent, on-going evaluation of student’s conduct and/or performance on-site or in the classroom. Formative evaluation may come from the course instructor, site supervisor, or Counseling Department personnel charged with overseeing the field experiences (i.e., clinical coordinator) and/or the Department (Graduate Review Committee). Formative evaluation may be in verbal or written form.

2. **Summative Evaluations:** Includes the formal, written mid-term and final site supervisor evaluation (Appendix H). COUN 8260 interns are responsible for informing site supervisors of the due dates for mid-term and final evaluations and providing site supervisor(s) with Appendix H a minimum of two weeks prior to the due date assigned by the COUN 8260 course instructor.

   a. **Prior to turning in the mid-term and final site supervisor evaluation:**
      i. COUN 8260 intern must meet face-to-face with their site supervisor(s) to review the mid-term and final evaluation prior to submitting the evaluations to COUN 8260 course instructor.
      ii. COUN 8260 intern & site supervisor must sign/date the evaluation prior to submission to course instructor. Documents not signed by both will not be accepted.

3. **Supplemental Evaluations:** Site supervisors/managers and course instructors may submit supplemental written evaluations when they have information vital to the student’s conduct or performance. Concerns may range from an isolated event to a pattern of personal or unprofessional/unethical conduct or performance. Supplemental evaluations (Appendix M) should be shared with the student in a face-to-face meeting, with student holding the right to respond in writing to the evaluation.

**Grading Guideline**

- A grade of “B” or better in COUN 8250 is required to move on to COUN 8260: Advanced Internship. COUN 8260 interns who do not receive a B or better will be required to re-take the course.

- COUN 8260 interns must complete 100% of their direct and indirect hours to receive a letter grade for the course.

**A grade of “A”** is consistent with the student demonstrating counseling skills, knowledge, and/or personal/professional behavior that clearly and consistently meet or exceed what is considered developmentally and professionally appropriate by the UNO Counseling Department, CACREP, and the Counseling profession at large.

**A grade of “B”** is consistent with the student clearly and consistently demonstrating counseling skills, knowledge, and/or personal/professional conduct consistent with the developmental and professional expectations of the UNO Counseling Department, CACREP, and the Counseling profession at large.
A grade of “C” is consistent with counseling skill, knowledge, and/or personal/professional behavior considered to be below what is considered developmentally and professionally appropriate by the UNO Counseling Department, CACREP, and/or the Counseling profession. Grades below “B” in COUN 8260 require the COUN 8260 interns to re-take the course. The student may be required to provide evidence they are prepared to successfully complete COUN 8260 prior to being granted permission to enroll in the course.

A grade of “D” or “F” is consistent with evidence of a student’s inability to demonstrate the skills, knowledge, and/or personal/professional behavior considered developmentally and professionally appropriate by the UNO Counseling Department, CACREP, and/or the Counseling profession. A student receiving a grade of “D” of “F” grade in COUN 8260 will be required to obtain written approval from the student’s faculty advisor and department chair in order to receive permission to re-enroll in COUN 8260. Permission is not guaranteed.

A grade of “I”/Incomplete is provided in limited cases when there is evidence that the student has experienced barriers to making satisfactory progress toward completion of COUN 8260. COUN 8260 interns should provide instructors with real-time information of real or potential barriers to completing course requirements.

- A grade of “I” may be given if the 85% threshold is not met and students will be required to complete the minimum COUN 8260 hours prior to receiving a letter grade for COUN 8260.
- All “I” grades must be resolved within 1 academic semester (2 if summer is the upcoming semester).
- Completion and submission of all course requirements must include verified documentation that all course requirements and documents are successfully completed.

Department of Counseling
University of Nebraska at Omaha

Dear (Potential client or parent/guardian/legal representative):

Your counselor is an advanced graduate-level counseling student who has completed the majority of his or her required coursework for a graduate degree in Counseling with a specialization Clinical Mental Health Counseling (CMHC) from the University of Nebraska at Omaha. The University of Nebraska at Omaha’s CMHC concentration is accredited by the Council for Accreditation for Counseling and Related Educational Programs (CACREP, 2009). As part of their training program, counseling students are required to participate in on-the-job training during which they provide direct counseling services under the supervision of experienced, licensed mental health professionals. In addition, students are expected to abide by the American Counseling Association’s Code of Ethics (ACA, 2014) and all applicable laws and guidelines governing mental health practice in Nebraska.

Your student counselor receives weekly individual supervision by a licensed mental health professionals and weekly group supervision provided by faculty in the University of Nebraska at Omaha Department of Counseling. While confidentiality is critical to the therapeutic alliance and process, and documentation of client services are confidential, there are limits to confidentiality. These include, but are not limited to:

1. When a client is determined to be a danger to him/herself or others;
2. When the counselor perceives there may be child or elder abuse and/or neglect.
3. In the event of a subpoena or court order.*

   *If a court order is received, the student will immediately notify their course instructor and/or site supervisor via UNO email. The course instructor will notify the UNO General Counsel’s office for direction on how to proceed with any court/legal related issue. The UNO General Counsel’s office will instruct the course instructor and clinic director on how to proceed. The course instructor will notify the student via UNO email to follow the counsel’s direction from the UNO general counsel’s office.

It is also important to note that your student is also a mandated reporter, which requires them to report suspected abuse and neglect to the proper authorities.

Your student is also required to formally demonstrate their counseling knowledge and skills in interactions with clients by providing their course instructor and clinical supervisor work samples in the form of recorded video/audio recordings of counseling sessions. When video and/or audio recordings of sessions are not possible, COUN 8260 interns are required to receive “live supervision” from a licensed mental health professional who, in limited cases, may be present in the room during the counseling session. Thus, COUN 8260 interns will request permission to video and/or audio record counseling sessions or, if necessary, to allow their approved clinical supervisor to observe your counseling session. It is important to note that the student is the focus of the recording, and that the primary purpose of recording sessions is to enhance the professional
development of the student and, by extension, the quality of care for clients. For example, you can consent to be video recorded but you can require that you be off-camera.

All recordings are considered confidential and will be protected by the student in keeping with all applicable laws (i.e. HIPAA). Confidentiality may be breached only under the concerns noted above or when required by law. Moreover, as a client you maintain “privilege”, which means you may provide your student with permission to provide detail(s) of your care to a party you designate in writing in a document known as a “release of information”.

Client Rights and Responsibilities

- Be treated with dignity, respect, and consideration in accordance with your cultural/ethnic background and to have freedom from any abuse, exploitation, retaliation, humiliation, or neglect;
- To participate—as an expression of your self-determination—in the development of your treatment plan with clear explanations of treatment models, options, and desired achievement of outcomes;
- To ask questions about your therapy;
- To ask about your therapist’s professional capabilities, including education, training, experience, specialization, and limitations;
- To receive a second opinion at any time about your therapy and/or clinician’s methods;
- To report unethical and/or illegal behavior by a counselor;
- To complete a client satisfaction survey and/or provide written suggestions;

Consent to Participate in Counseling

I, the undersigned, hereby acknowledge that I have read and understood the information presented above, and that I agree to receive counseling services from the undersigned UNO Counseling Department student.

Consent to Record

I do ____________ / do not ______ grant permission to allow my counseling sessions to be recorded via audio and/or video. I understand that a) my designated student, their approved clinical supervisor, UNO Counseling Faculty, and UNO CMHC COUN 8260 interns in COUN 8260 may have access to video/audio recordings of my counseling sessions with my assigned student(s), and b) that all recordings, associated documentation, and noted personnel are subject to the confidentiality guidelines of the American Counseling Association’s Code of Ethics (ACA, 2014) and the laws governing the practice of professional counseling in Nebraska. I understand that I may withdraw this permission to record/allow live supervision at any time.

Scale (circle)

3: Exceeds Expectations 2: Meets Expectations 1: Does Not Meet Expectations

I received formal orientation to my internship site.

3 2 1

I was provided initial and on-going assistance/training surrounding site policies and
procedures and the expectations and parameters of my role, responsibilities, and opportunities on
site.

3 2 1

I was provided reasonable confidential physical space to provide counseling with appropriate
confidentiality.

3 2 1

I was regularly assigned clients (or allowed to recruit clients) at this site and allowed to develop an
appropriate caseload.

3 2 1

I had difficulty gaining sufficient direct hours at this site to complete my direct hours requirements.

3 2 1

I had difficulty obtaining opportunities to participate as a co-leader or a leader of
counseling groups at this site.

3 2 1

I had difficulty obtaining the necessary equipment and physical arrangements to video tape at this
site.

3 2 1

I was treated with professional respect by all staff members at this site.

3 2 1
I received at least 1 hour of face-to-face clinical supervision on-site each week.  

3 2 1

I felt supported in my clinical decision-making.  

3 2 1

This site provided me with adequate resources to continue my professional development.  

3 2 1

This site provided me with opportunities for learning and applying various counseling theories and techniques.

This site provided me with opportunities to work with persons of diverse backgrounds in the community.  

3 2 1

I would recommend this site for future UNO COUN 8260 interns.
