### Week 2

#### Wacky Walking

- **Materials:** Small ball or squeaky toy
- **Description:** Lay on the floor with the infant. Hold the object above their shoulders, close enough for the infant to swipe at it. Adapt and extend when they master skills or grow older. For example, ask, “Can you reach this?” and have the infant reach for the object. Move the ball across the mid line and in other directions for them to reach.

### Week 3

#### Moving to Music

- **Materials:** Music with various rhythms and patterns
- **Description:** Dance with the infant in different motions. Bounce, sway, and rock the infant. Choose fun summer songs! Adapt to age and abilities (being held, sitting, or standing).

- **Resource:** A-109  
https://www.nemours.org/content/dam/nemours/wwwv2/filebox/service/healthy-living/growuphealthy/infanttoddlertoolkit.pdf

#### Human See-Saw

- **Materials:** None
- **Description:** Sit on the floor with your legs apart and sit the child between your legs facing you with their legs straight out. Pretend to be a human see-saw. Hold the child’s hands, lean forward, and encourage them to lean back as far as they can. Pull them gently back up to a sitting position. Repeat this fast and slow. Allow them to strengthen their core by having them try to sit up without you pulling them up with much force.

**Infants**

(0-12 months)

**Tummy Time Outside**

*Materials:* Blanket for outside

*Description:* Lay a blanket down and have tummy time outside. Introduce grass, leaves, and sand in their hands.

*Resource:* https://pathways.org/topics-of-development/tummy-time/

---

**Toddlers**

(1-2 years)

**Ball at the Wall**

*Materials:* Balls, tall wall

*Description:* Start close to a wall. Invite the toddlers to throw balls at the wall. Experiment by throwing further away from the wall. Video example in resource.

*Resource:* https://www.youtube.com/watch?v=5y3gCrL_XIM

---

**Preschoolers**

(3-5 years)

**Moana Yoga Story**

*Materials:* Screen or projector

*Description:* 30 minute video of yoga poses to the story of Moana! Access video in resource.

*Resource:* None

---

**Infants**

(0-12 months)

**Bubble Bubble**

*Materials:* Bottle of bubbles

*Description:* Blow bubbles for the infant to watch. Be sure to blow the bubbles far enough away so they don’t pop in the infant’s face. Encourage them to reach for them.

---

**Toddlers**

(1-2 years)

**Working at the Car Wash**

*Materials:* Buckets with baby soap and water, sponges, plastic outdoor toys to clean

*Description:* Get buckets with soap and water. Wash the tricycles or other outdoor plastic toys with sponges.

---

**Preschoolers**

(3-5 years)

**Seaweed Tag**

*Materials:* Objects to mark a few spots on the ground, cones or objects to mark off an area

*Description:* Mark off an area that will serve as the "ocean." Explain that seaweed grows on the ocean floor. They sway but can’t swim. Seaweed are always stuck to the ocean floor. Start out with having 1 or 2 children as seaweed, and tell them to always have one foot stuck to their spot on the floor. Have the other children line up at the edge of the ocean. When you say "go," the kids crawl, like a school of fish swimming, to the other side. If they get tagged, they are now seaweed.

<td>Materials: Buckets, cups with small holes in the bottom, water</td>
</tr>
<tr>
<td>Description: Have infants play with cups and plastic containers in a baby pool. Show them how to scoop up water and dump it.</td>
<td>Description: Hoops are laid out in a clear space. Children jump in a circle around the hoops while music plays. When the music stops, children must find a hoop to jump into. Once all children have found a hoop, the leader calls out the 'hot' color. &quot;Red hoops are hot hoops!&quot; Children who are in the hot colored hoop must jump to a different hoop to share with another child. Repeat.</td>
<td>Description: Take fill-the-bucket water relay to the next level by drilling holes in the relay cups. Fill up the cups, have the kids hold the cups on their heads full of water, and they have to fill the bucket they have to run to. They have to run back to fill their cup back up.</td>
</tr>

### Infants (0-12 months)

#### This Little Farmer Went to the Market

**Materials:** None

**Description:** Play this toe wiggling game chanting a new rhyme. Wiggle each of the child’s toes as you recite each line. Repeat the rhyme for each foot and then tickle each foot. Rhyme and description video in resource.

### Toddlers (1-2 years)

#### Silly Shake Me!

**Materials:** None

**Description:** Gather the toddlers in a group. Explain that when you call out a body part, they should shake that body part. Give each child a turn to name a different body part for everyone to shake. Use a variety of parts such as toes, nose, eyes, hands, ears, knees, tummies, mouth, tongue, shoulders, etc. Ask them to move them fast, and ask to move them slow. Play some fun summer music when shaking!

### Preschoolers (3-5 years)

#### Car Races

**Materials:** Medium cardboard boxes with straps (string, fabric, etc.), drawing materials to decorate boxes, markers to set out a course (race track)

**Description:** Each child gets a box car to decorate. After decorating the boxes, encourage children to run around the race track in their car making noises. Change the course according to what the children find easy or hard.

### Infants (0-12 months)

#### Cruisin’

**Materials:** Stable objects, a blanket, or a play area

**Description:** Give infant chances to crawl from one spot to another. Be outside and provide stable objects such as chairs or equipment. Let them crawl in the grass and move from person to person or object to object.

### Toddlers (1-2 years)

#### Fruit Salad

**Materials:** One line marked at one end, beanbags (represent fruit), bucket (fruit salad bowl) at the other end

**Description:** Ask the toddlers to line up along the line, facing the bucket. Hand each toddler a beanbag and explain that their beanbag is a fruit. When the leader calls out a fruit, for example 'apples', all the children run up to the fruit salad bowl, drop their beanbag, run around the bowl to mix up the fruit salad, and run back to the starting line. If older, assign specific types of fruit to each child.

### Preschoolers (3-5 years)

#### Tunnel Ball

**Materials:** Medium sized balls

**Description:** Have the children face away from their partner with legs in a wide stance. Have them pass the ball back and forth to their partner through their legs. Then have the children line up in a group of no more than 8 with legs in a wide stance. Ball starts with the first child and they roll it through their legs, encourage children to 'help' the ball along.

**Infants (0-12 months)**

**Bouncing Tummy Time**

**Materials:** None

**Description:** Caregiver sits against a supportive surface with legs extended. Place the infant on their belly across your legs. Their hands and knees should touch the floor. While in this position, gently bounce the infant. Try lifting one of your legs up and down, rocking the infant back and forth.

---

**Toddlers (1-2 years)**

**We are Painters**

**Materials:** Paint brushes (big), tubs full of water

**Description:** Ask children to stand and sit down without using their hands. Can they get back up without using hands? Ask them to kneel and move to a sitting position without using their hands. Can they get back up without using hands? Ask them to lie down without using their hands. Can they get to a seated position without their hands? When they master this, have them lie down and count down from five to see if they can sit up and stand up before time is up. Video example in resource.
