### Week 2

#### Infants (0-12 months)

**Little Drummer Baby**

**Materials:** Box or drum

**Description:** Place a big enough box that makes the infant get on their knees or feet to work on balance or to walk around it. Demonstrate drumming on the box. Sing songs, play fun winter music, or drum along with them.

**Resource:** https://www.care.com/c/stories/4582/activities-to-get-your-baby-crawling-standin/

#### Toddlers (1-2 years)

**Snow Monster Stomp**

**Materials:** Bubble wrap, music

**Description:** Place bubble wrap on the floor. Put on a fun winter song for them to dance to. Have them stomp like a snow monster!

#### Preschoolers (3-5 years)

**Christmas Tree or Snowman Balance Activity**

**Materials:** Green, blue, or white painter’s tape. Colorful paper to make ornaments, buttons, scarf, or carrot nose

**Description:** Use tape to draw an outline of a Christmas tree or snowman on the floor. Use paper to make ornaments or clothing. Have kids decorate the tree or snowman by walking on the lines and adding only one ornament or clothing item at a time. For example, a child can walk to the top of a tree and place a star on the floor. Then they can walk back to the base of the tree and pick out another decoration.

### Week 3

#### Infants (0-12 months)

**The Polar Express**

**Materials:** None

**Description:** Sit on the floor with the infant sitting between your legs and leaning up against your tummy as you hold onto their arms/elbows. Move the infant’s arms in a circular motion like the wheels on a train. Begin making slow motions as you say “Choo Choo!” Gradually go faster and faster. Throw in a "Woo Woo!" as you lift the infant’s arm to pull the train whistle.

#### Toddlers (1-2 years)

**Don’t Ring the Bells**

**Materials:** Bells, hula hoops, string, chairs, plastic pipe or ruler or pool noodle, long piece of wood

**Description:** Use materials or other household items to create a sensory obstacle course. Attach bells to a hula hoop, and hang the hoop slightly off the ground. Attach bells to a long pipe and elevate it between two chairs. Attach bells to long ruler and create a balance beam to step over the bells. The objective of the course is to not hit the obstacles and ring the bells. Obstacle course example in resource.

#### Preschoolers (3-5 years)

**Reindeer Trot**

**Materials:** Tape or object indicating start and end lines

**Description:** Pretend to be a reindeer and do a relay with movements reindeer do, such as run, gallop, pretend to fly, and trot. Split the children into two or more teams. Have them start at a starting line, trot to the end line, and then trot back before the next child goes.
