ACKNOWLEDGEMENT

Academic advising is important for appropriate progress through the program of study. Your advisor is responsible for, and not limited to, informing you about the program requirements, specific due date e.g., applying for graduation, and approving the courses you take each semester. Students are responsible for meeting with their advisor prior to registering for classes. Students not meeting with an advisor may take unnecessary courses, courses out of sequence, or miss due dates; all of which may delay progress

The University of Nebraska does not discriminate based on race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation in its programs, activities, or employment.
