Join us for a Brown Bag Session on Early Childhood Education in the Caribbean: Trinidad & Tobago, hosted by Dr. Kerry-Ann Escayg, Assistant Professor of Early Childhood Education.

In the summer of 2017, UNO Teacher Education students visited three distinct ECE centers, collected data on early learning and play, and participated in various types of cultural excursions.

At the brown bag session, a video of the trip and students’ reflections will be shown.

RVSP to Dr. Escayg at kescayg@unomaha.edu
