UNO Teacher Preparation Key Learnings

By the end of the course, candidates will be expected to know and be able to apply the following key learnings. Guidance, coaching and performance in the classroom should support each key learning throughout the experience.

TED 3050/ 8055– Foundations of ESL
Elementary & Secondary/Undergraduate and Graduate

1)  1e. The teacher understands that each learner’s cognitive, linguistic, social, emotional, and physical development influences learning and knows how to make instructional decisions that build on learners’ strengths and needs

2)  1g. The teacher understands the role of language and culture in learning and knows how to modify instruction to make language comprehensible and instruction relevant, accessible, and challenging.

3)  7b. The teacher plans how to achieve each student’s learning goals, choosing appropriate strategies and accommodations, resources, and materials to differentiate instruction for individuals and groups of learners.

4)  8a. The teacher uses appropriate strategies and resources to adapt instruction to the needs of individuals and groups of learners.

5)  9j. Investigate laws related to learners’ rights and teacher responsibilities (e.g., for educational equity, appropriate education for learners with disabilities, confidentiality, privacy, appropriate treatment of learners, reporting in situations related to possible child abuse).
