IS&T’s Nullify Computer Security Group invites you to participate in the fast-paced, exciting competition that will take your cybersecurity skills to the next level. Capture the Flag wouldn’t be possible without the support of private donors. UNO rewards donors four levels of participation. Check out ctf.nullify.uno for more information.

**Platinum - $10,000 + (1 available)**
Sole top sponsor (i.e., “Official Partner”) with exclusive benefits:
- Your Logo is prominently displayed on event’s website, at the top of every page on the scoreboard, and the advertisement website.
- Your organization may include additional giveaways and company career information in “swag bags”.

**Gold - $5,000 to $9,999**
- Your organization will be given an opportunity to attend UNO Information Assurance Student organizations and promote their company and career opportunities.
- Your organization may create a challenge, have a reconnaissance challenge directing students to their website, or have a challenge named and themed after your organization.

**Silver - $2,500 to $4,999**
- Your organization will be highlighted in all media releases in addition to being given an opportunity to provide a quote highlighting their participation.
- Your organization may set up a table at the event for product advertising, recruiting, and outreach.

**Bronze - $500 to $2,499**
- Your Logo will be displayed on the event’s website and graciously thanked for your support.
- Your organization may send two employees to attend the event on its behalf as ambassadors.

**Bonus**
- All partnership packages include the benefits of all levels below them.
- 10% of all proceeds will be directed to NULLify: UNO’s computer security competition and outreach student organization.
- You will be listed as an official partner and be provided an exclusive opportunity to speak to the organization members on behalf of the Cyber Security industry.
