

UNO COLLEGE OF INFORMATION SCIENCE & TECHNOLOGY

PRESENTS

2017 IT CAREER FAIR

Looking to hire one of our amazing students? IS&T hosts several career fairs throughout the school year which helps employers directly connect with our students. Through your support, we're able to engage current IS&T students and area high school students in a variety of IT activities, especially during our annual Computer Science Education Week in December.

PLATINUM SPONSOR \$2,000
