

# IT Innovation Cup

Presented by UNO College of Information Science & Technology

Sponsored by UNO, the IT Innovation Cup is an annual competition between Nebraska high schools to determine who can develop the most innovative, creative, and best IT-based solution for a pressing problem.

## Donor Rewards

The Innovation Cup wouldn't be possible without the support of private donors. UNO rewards donors for four levels of participation – Platinum, Gold, Silver, and Bronze.

### Platinum - \$7,500 +

- Four (4) free registrations to the awards banquet
- Access to all intermediate events
- Opportunity to host one of the intermediate events at the sponsor's facility
- Acknowledgment of the sponsor in press releases
- Inclusion of sponsor's logo on the "IT Innovation Cup website" for the period of sponsorship and specific acknowledgment in the awards banquet ceremony

### Gold - \$5,000 to \$7,499

- Three (3) free registrations to the awards banquet
- Access to all intermediate events
- Opportunity to host one of the intermediate events at the sponsor's facility
- Acknowledgment of the sponsor in press releases
- Inclusion of sponsor's logo on the "IT Innovation Cup website" for the period of sponsorship and specific acknowledgment in the awards banquet ceremony

### Silver - \$2,000 to \$4,999

- Two (2) free registrations to the awards banquet
- Access to all intermediate events
- Opportunity to host one of the intermediate events at the sponsor's facility
- Acknowledgment of the sponsor in press releases
- Inclusion of sponsor's logo on the "IT Innovation Cup website" for the period of sponsorship and specific acknowledgment in the awards banquet ceremony

### Bronze - \$500 to \$1,999

- One (1) free registrations to the awards banquet
- Access to all intermediate events
- Opportunity to host one of the intermediate events at the sponsor's facility
- Acknowledgment of the sponsor in press releases
