ISQA 4380	Distributed Technologies			
**IS203 and 204 (UiA) are each worth 5 Credit Hrs at UNO;IS209 for 2 hrs.				
Remaining:		14	Compl:	0

Through undergraduate certificates, the College of IS&T offers a path for individuals not holding a baccalaureate degree to advance their education along a focused, professionally-oriented course of study that can be applied later to a related bachelor degree program.

This matriculation form corresponds with UNO Catalog 2016-2017.
