

ISCRAM2023 COPYRIGHT AGREEMENT

This ISCRAM2023 Proceedings copyright agreement and use license is compliant with the Creative Commons Attribution-NonCommercial-ShareAlike 4.0 (“by-nc-sa”) License: see Annex below for terms.

This copyright agreement and use license firstly states that the author(s) keep their copyright and secondly permits any user, for any noncommercial purpose – including unlimited classroom and distance learning use – to download, print out, extract, archive, distribute and make derivative works of an article published in the ISCRAM2023 Proceedings, as long as appropriate credit is given to the authors and the source of the work and all derivative works are placed under the same license. This copyright agreement and use license ensures, among other things, that an article will be as widely available as possible and that the article can be included in any scientific archive.
