

**FOR STUDENTS WHO BEGAN PRIOR TO FALL 2019**

**PhD in Information Technology – Application for Comprehensive Exam**

This form must be submitted and approved by the Doctoral Program Committee the semester before you intend to take comps. As the comprehensive examination process has been updated effective Fall 2019, students who began the PhD program prior to that semester can opt for either the old examination model or the new examination model. Indicate your selection below.

\_\_\_\_\_ I wish to be evaluated under the new comprehensive exam model for all parts.  
**(If selected, complete form on the other side)**

\_\_\_\_\_ I wish to be evaluated under the old comprehensive exam model for all parts.  
**(If selected, complete form below)**
