** Certificate in Information Technology (IT) Administration is designed for students
who are interested in managing the complex technical infrastructure of today's organizations
and is offered in partnership with University of Adger in Norway (UiA), a sister university to
UNO. The following courses are offered through UiA but scheduled as ISQA 4000 courses
on UNO's schedule for the spring semesters: IS 212 & IS 309

UNIVERSITY OF NEBRASKA AT OMAHA
COLLEGE OF INFORMATION SCIENCE & TECHNOLOGY

Through undergraduate certificates, the College of IS&T offers a path
for individuals not holding a baccalaureate degree to advance their
education along a focused, professionally-oriented course of study
that can be applied later to a related bachelor degree program.
