Contact your advisor or our intern supervisor, Dr. Meier, for more information. **Now is the time to sign up for Fall.**

- Are you interested in how we conduct research? Have you thought about graduate school someday?

  Consider applying for a **Research Internship in the School of Criminology and Criminal Justice.** The opportunity is similar to a traditional internship except that you spend time working alongside graduate students and/or faculty members on active research projects. **Want to know more?** Email me at sclinkinbeard@unomaha.edu

- **Dallas Area Rapid Transit Police Department is hiring!** See attached flier. We may work to put together an informational webinar with the DART PD. If that would interest you, let me know.
