

**ACADEMIC AMNESTY CONTRACT**

College of Public Affairs and Community Service – Division of Continuing Studies

I, \_\_\_\_\_, \_\_\_\_\_  
Name NU ID #

and the Division of Continuing Studies agree that, if I complete 24 semester hours of UNO\* coursework (amnesty run) subject to the conditions below, the Division of Continuing Studies will grant me academic amnesty as outlined below.

Conditions:

1. Amnesty coursework will begin with the first course I take upon my return.
2. The coursework must be taken on a continuous basis. This means that I must earn a minimum of six semester hours of credit in each twelve-month period, beginning with the start date of mu amnesty run.
3. I must achieve a grade point average (GPA) of 2.5 for the coursework. Should the GPA be less than 2.5 at the completion, I may continue the run. At such time as my GPA for all courses taken during the amnesty run equal or exceed a 2.5, I will receive academic amnesty.

The Division of Continuing Studies agrees that if I complete the amnesty run as outlined above, the division will grant me academic amnesty. When granting amnesty the division agrees that, while calculating my GPA, the calculations will not include the "F" and "D" grades listed below:

I understand that no changes are made on my permanent record or in my cumulative GPA while I am taking the 24 hours. Therefore, while attempting to earn amnesty, if my cumulative GPA is still below standard, I will continue to be reported as "on probation." Should my performance revert to substandard, I will be suspended.

I understand that at the end of the 24 hour run, I must notify an advisor of completion.

Achieving amnesty precludes my eligibility for honors at graduation. Therefore, I understand I will not be eligible for honors at graduation.

Upon successful completion of the amnesty run, the Division of Continuing Studies will direct the Registrar to amend my permanent record to reflect the amnesty. Although they are not all computed in my final GPA, I understand that no grades will be erased from my permanent record as a result of amnesty.
