GERO 4480/8486-870, Wed 8:30am-11:10am (In person or remote learning)

This fall get global with aging! Connect with a Polish student by taking a Fall 2021 course at UNO in partnership with students in Poland who are taking the same course – Learn what it is like to be a student in Poland and hear first-hand about aging in the European Union. Course conducted via zoom in real time.

Learn from Professors in Poland and UNO!

Alina Żurek, PhD, Assistant Professor
Department of Clinical Psychology and Health
Institute of Psychology, University of Wroclaw
Lectures: Life of Older Adults in Poland

Grzegorz Żurek, PhD, Associate Professor
Head, Department of Neuroscience
Wroclaw University School of Physical Education, Wroclaw, Poland
Lectures: Frontiers of Brain Training and Aging

Course will be facilitated by UNO Professor Lyn Holley, Ph.D., FAGHE UNO CPACS Department of Gerontology

Dr. Holley’s biosketch can be found at:
