Description

This training offers a clear overview of Medication-Assisted Treatment (MAT), highlighting its effectiveness, addressing common stigma, and outlining the treatment process to promote informed, compassionate care for individuals with substance use disorders.

Learning Objectives

- Explain what Medicated Assisted Treatment is, including its definition as an evidence-based approach combining medications with counseling and behavioral therapies to treat substance use disorders, particularly opioid and alcohol addiction.
- Demonstrate the effectiveness of MAT in reducing withdrawal symptoms, cravings, overdose risk, and improving long-term recovery outcomes, supported by clinical data and patient success stories.
- Clarify common stigma by emphasizing its medical foundation and role in stabilizing brain chemistry for sustainable recovery.
- Provide an overview of how MAT works, including eligibility, medication options, therapy components, and the role of healthcare teams in personalized care plans.

Accreditation Statement

Grace Abbott Training and Supervision Academy (GATSA), provider #2006, is approved as an Approved Continuing Education (ACE) provider to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. ACE provider approval period: August 12, 2024 - August 12, 2025. Even when a social work board accepts courses offering ASWB ACE credit, licensees are responsible for determining whether courses meet the CE requirements in their jurisdictions. States and provincial regulatory boards have the final authority to determine whether any individual course may be accepted for credit.

Joint Provider Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of Nebraska Board of Mental Health Practice and Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. This program meets the criteria of an approved continuing education program for social work, licensed mental health providers, and mental health practice.
