## Description

This training provides an in-depth exploration of effective approaches to treating individuals with addictions, emphasizing both shared and unique factors in treatment planning. Participants will enhance their awareness of personal biases, explore a range of evidence-based strategies, and apply techniques through case-based learning to develop individualized treatment plans.

## Learning Objectives

- Compare and contrast similarities and differences in treating individuals with addictions.
- Be aware of and addressing our own biases when treating people with addictions.
- Creating an individualized treatment plan.
- Application of treatment techniques to case studies.

## Accreditation Statement

Grace Abbott Training and Supervision Academy (GATSA), provider #2006, is approved as an Approved Continuing Education (ACE) provider to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. ACE provider approval period: August 12, 2024 - August 12, 2025. Even when a social work board accepts courses offering ASWB ACE credit, licensees are responsible for determining whether courses meet the CE requirements in their jurisdictions. States and provincial regulatory boards have the final authority to determine whether any individual course may be accepted for credit.

## Joint Provider Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of Nebraska Board of Mental Health Practice and Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. This program meets the criteria of an approved continuing education program for social work, licensed mental health providers, and mental health practice.
