

## APPENDIX 1: VLS PROGRAM SUCCESS OVERVIEW

**Associated Builders and Contractors:** Participants are marked as successfully completing programming depending on where they are taking classes and their individual needs. Success is generally captured after completing OSHA 10 Hour Construction and General Industry training while in correctional facilities. Some participants also move on to a core class in facilities or may take additional classes out in the community after release.

**Western Alternative Corrections Bristol Station:** Every participant's success will look different. The program plan is very individualized based on risk and needs assessments. Each participant has a different path in both the residential side of the program and the vocational and life skills areas and they work with case managers to determine their programming needs.

**Center for People in Need (TRADE):** TRADE participants in facilities successfully complete once they have finished the Core classes. Those at the work release facility or on parole are successful once the core class is completed and they gain employment. For all other participants, completing Core and one vocational module or securing employment is a successful completion.

**Mental Health Association:** A participant in the Hope program area is successful after maintaining employment for 90 days. A participant in the Benefits program is successful after all applications and a benefit analysis is complete. A Real participant's success varies as it is a highly individualized program. A participant at the Honu house is successful when he or she is able to transition out of the Honu house. Participants may be involved in one or multiple program areas and will be marked successful after completing their program plan.

**Metropolitan Community College (180 RAP) :** A participant that completes a class, workshop, or other program area is successful based on the individual plan that is set up with staff. Some participants are in long-term educational courses leading to a degree and may be active for years while others may only participate in a short-term training or workshop.

**ReConnect:** A participant is successful on a case-by-case basis. Any participant that has completed Success Prep, Final Number, Right Start, or Pass it On while incarcerated is successfully completed. Participants in programming post-release are successfully completed when they reach 85% of their reentry plan which is developed by the client and staff. If a participant does not contact ReConnect for services for 90 days after finishing a program area, that participant will be completed.

**ResCare Workforce Services:** A participant is successful if he or she completes all four weeks of the Get the Right Future program or secures employment during the course of the programming.

**Williams Prepared Place:** A successful participant will have gained and maintained employment, completed substance abuse treatment program without reoffending, and will have spent six months in aftercare.
