Professional Development Opportunities
Spring 2020
Sponsored by STEPs (Support and Training for the Evaluation of Programs)

Research and Evaluation Ethics for Social Workers (In-Person)
Despite best intentions, we often experience ethical dilemmas when conducting research and evaluation projects. We’ll discuss consent, confidentiality, avoiding harm, reporting, and more, as they relate to social work research. Come learn with others about preventing and responding to ethical dilemmas.
Wednesday, January 29, 2020 | 9:00 A.M. – 11:00 A.M. | [Click here to register for January 29]
Barbara Weitz Community Engagement Center (CEC) 201/205 | University of Nebraska at Omaha
Presented by: Jeanette Harder, Ph.D.

Research and Evaluation Ethics for Social Workers (Webinar)
Despite best intentions, we often experience ethical dilemmas when conducting research and evaluation projects. We’ll discuss consent, confidentiality, avoiding harm, reporting, and more, as they relate to social work research. Come learn with others about preventing and responding to ethical dilemmas.
Thursday, January 30 from 3:00 P.M. – 5:00 P.M. | [Click here to register for January 30]
Online (Zoom link will be provided to all paid registrants via email 2 days prior to the webinar)
Presented by: Jeanette Harder, Ph.D.

Discovering Basic Statistics Using Excel
Come learn tips and tricks for performing basic statistics with Microsoft Excel. You will learn levels of measurement; calculate measures of Central tendency, run sum, count, and countif formulas, and apply basic statistics to improve evidence-informed decision-making in your program. This workshop will take place in a computer lab for hands-on practice.
Wednesday, February 26 from 1:00 P.M. – 3:00 P.M. | [Click here to register for February 26]
College of Public Affairs and Community Service (CPACS) 219 | University of Nebraska at Omaha
Presented by: December Lange Treacy, MS

Exploring Advanced Statistics Using Excel
Build on your existing knowledge of statistics in Microsoft Excel to take your statistical analysis to the next level. You will learn how to compare data using pivot tables and t-tests. Learners will meet in a computer lab, watch a demonstration, and then practice analyses. Basic Excel skills are required.
Monday, March 30 from 1:00 P.M. – 3:00 P.M. | [Click here to register for March 30]
College of Public Affairs and Community Service (CPACS) 219 | University of Nebraska at Omaha
Presented by: Jeanette Harder, Ph.D.

Preparing High-Impact Graphs Using Excel
In this hands-on workshop, learn how to prepare a graph that is simple enough for anyone to understand, yet powerful enough to convey and important message that will influence critical decision-making. Learn how to create basic, stacked, cluster bar, and column graphs and how to annotate graphs by using color, lines, and textboxes.
Thursday, April 30 from 1:00 P.M. – 3:00 P.M. | [Click here to register for April 30]
College of Public Affairs and Community Service (CPACS) 219 | University of Nebraska at Omaha
Presented by: December Lange Treacy, MS and Rachel Lubischer, BSSW

Cost: $40 ($20 for students) | optional: $10 additional for CEUs
