Students who plan to begin practicum in the Spring 2021 semester must click [here (Qualtrics Survey)] to begin the practicum process.

Below is the 3 Step Practicum Process you will need to complete to prepare for starting practicum:

2. **Virtual Practicum Fair:** Review practicum agencies on our website under ‘Agency Partners’ to explore your options and gather more information on where you would like to complete your practicum. Complete the Agency Exploration document as directed in Passport to Practicum

3. **Attend Practicum Advisement:** Monday, September 21st through Friday, October 2nd
   Appointments must be set up through MavTrack with the student’s Practicum Advisor.
