GEOGRAPHY

Geographic Education Certificate

Take your geography or environmental science teaching to the next level with UNO's Graduate Certificate in Geographic Education. Designed for high school educators, this 18-credit-hour certificate deepens your geographic knowledge while helping you meet requirements to teach dual enrollment courses. Strengthen your expertise, create new opportunities in your classroom, and give your students a head start on college, all while advancing your own professional credentials.

All dual enrollment instructors must have at least a master's degree in the discipline in which they teach, or a master's degree in any discipline plus 18 graduate credits in the discipline in which they teach.

1 Apply to University of Nebraska at Omaha.
