Dear Parent or Guardian,

Your son or daughter is enrolled in an eligible Dual Enrollment course(s) for 2014-2015. They have the opportunity to enroll in Dual Enrollment through the University of Nebraska at Omaha (UNO) while taking their high school classes. Dual Enrollment is a program through UNO and surrounding area high schools, where academically talented students can earn college credit while still in high school. College classes are taught at the high school by high school instructors using college curriculum.

I have included relevant information in this brochure that will help you better understand Dual Enrollment and answer any questions you may have.

Sincerely,
Kelly Maloney
Assistant Director – Dual Enrollment
University of Nebraska at Omaha

Here are 5 questions to ask prospective colleges about Dual Enrollment credits:

1. Does your institution accept Dual Enrollment credit?
2. If yes, how would you accept Dual Enrollment credit from UNO? (i.e. course number and name)
3. If no, what score is needed on the AP exam to receive credit, and what course would it count for?
4. Will I be considered a freshman regardless of the number of credits I bring in? (Make sure you would still be eligible for all freshman scholarships.)
5. Would the credits I bring to college count against the overall length and amount of any scholarship I might receive?

The cost is $250 per course. This is a flat fee and is the only cost for the course. A UNO billing statement will be sent shortly after course registration explaining how to pay for the Dual Enrollment course(s).

If a student plans to apply to UNO at a future date, a separate application fee will need to be paid.

BENEFITS

• Have access to university resources (advisors, tutoring, library, etc.)
• Become academically prepared for college
• Gain experience and confidence to succeed in higher education
• Have a more productive high school experience
• Significant cost savings
• Attend UNO Dual Enrollment events

APPROXIMATELY 92% OF COLLEGES AND UNIVERSITIES NATIONWIDE ACCEPT DUAL ENROLLMENT CREDITS.

The Family Educational and Privacy Act of 1974 (FERPA) is a federal law that protects the privacy of student education records by placing restrictions on the disclosure of information contained in a student’s individual record. Once a student attends a postsecondary institution, he or she becomes an “eligible student” and all rights formerly given to the parents under FERPA transfer to the student.

REQUIREMENTS

• Cumulative GPA of 3.0 or higher
• Enrolled in a Dual Enrollment designated course
