

# Foreign Language Placement Exam Instructions

## Taking a Foreign Language Placement Exam

Each Foreign Language Placement Exam is a computer based test. It is untimed. You should **NOT** consult websites, books, notes, friends, or any other materials or resources while taking the test. Remember, this is a placement test. If you get help or use restricted materials, or purposely answer incorrectly, you will place yourself in a course that is unsuitable for you.

Follow these steps below to take the exam:

1. You will have the option to take the exam “now” or “later” after completing your registration.
2. If taking the exam “later” enter via **MavLINK**
3. Click on **Academics**
4. Under Academics click on **Register for Exams**
5. On the **Test Registration Management** Page
6. Under **My Pending Tests**
7. Click on **TAKE TEST** under **Actions**
