

Stormwater Pollution Reporting Form

This reporting tool is intended for any person to submit information regarding storm water quality issues on any UNO campus. We want you to be involved in our quest to ensure that campus activities do not hurt our environment.

This information will be used by Environmental Health and Safety to follow up on stormwater related illicit discharge and/or spills, construction site complaints, or illegal dumping. Please immediately report anything that may cause direct or substantial harm/distress to the environment (e.g., petroleum spill, fish kill, etc.). **For EMERGENCIES, call Public Safety at (402) 554-2911.** Otherwise, please complete the form below and email to pwheeler@unomaha.edu. Call EHS at (402) 554-3921 with questions. (*Required fields)
