Hazardous Material Fact Sheet Chemical Disposal

Used Chemical Collection:

- ❖ Label containers “Chemical Waste” and list chemical contents.
 - Use full chemical names (no abbreviations) and list all chemicals.
- ❖ Choose collection containers that are in good condition, clean and **compatible**.
 - **no acids in metal containers!**
- ❖ Keep used chemical collection containers **closed**, except when adding chemicals.
- ❖ Store used chemical collection containers in secondary containment.

Chemical Collection Tags:

When you're ready to dispose of your waste container, please complete a chemical collection tag. Complete the top half of the tag and secure the tag to the container.
