

DRIVING AND VEHICLES QUICK REFERENCE Student Field Trip Insurance

Please refer to the Driving and Motor Vehicles Policy for more information. The steps below are intended to summarize the use of and to direct you to the application for Student Field Trip Insurance.

Student Field Trip Insurance

Student Field Trip Insurance provides limited medical coverage and death benefits in the event of an accident during travel. All UNO students are required to have Student Field Trip Insurance when traveling outside the city of Omaha. Trips that are made inside the city of Omaha are not required to have Student Field Trip Insurance but are encouraged to do so. All Student Field Trip Insurance requests should be turned in at least three (3) days prior to the trip departure date. If a Student Field Trip Insurance request is not completed, the student will not be covered.

- Departments will be recharged for insurance premiums for department-owned vehicles that request full coverage for student field trip insurance.
