A. President’s Report: Senator Grams

   September 6, 2017

   Dear Colleagues,

   The past month has been a very busy one, and your comments and suggestions are particularly needed so that the Faculty Senate and I can best represent the interests and concerns of our faculty. Please feel free to contact me at any time (email works best).

   Some of the most important meetings and events to report on include Chancellor Gold’s announcement of some administrative restructuring at UNO and UNMC, the most recent meeting of the Transition Advisory Council, and the BRT (Budget Response Team) implementations affecting UNO and the NU system. If any Senator would like to access the information presented during AVC for Student Affairs Benjamin-Alvarado’s presentation to the Retreat, or has follow up questions related to Chancellor Gold’s visit to the Faculty Senate Retreat, please contact Sue Bishop or me.

   The key areas of restructuring announced by Chancellor Gold are:

   1. A single VC of Business, Finance, and Economic Development shared by UNO and UNMC. According to Gold, this move was driven not purely by budget considerations but primarily by concerns for efficacy and efficiency. This recommendation also came via CFAR, the outside consulting group that Chancellor Gold hired to assist him with such decisions. CFAR interviewed
various representatives of students, staff, and faculty over the summer.

2. A single VC for Student Success shared by UNO and UNMC, including enrollment and student services at both campuses. Current UNO VC Dan Shipp will occupy this position, reporting directly to the Chancellor.

3. UNMC will adopt an academic administrative model more similar to UNO’s, where Deans report directly to the SVC (Dele Davies) rather than directly to the Chancellor.

4. External relations (community, government, and alumni) will be combined into one group across UNO and UNMC, to be led by Bob Bartee, though UNO and UNMC will continue to have separate programs in these areas. UNO’s University Communications will report to Bartee.

5. Miscellaneous areas under the Chancellor’s office, such as compliance auditing, logistics, and so forth will be shared between UNO and UNMC for the aim of greater efficiency.

Chancellor Gold emphasized that all of these restructuring changes are reversible and will be re-evaluated by him at the 6 and 12 month marks. Therefore, UNO faculty who wish to comment on the changes should do so in ample time to be accounted for in these reviews. The Faculty Senate executive committee and I regularly convey faculty opinions and feedback to the Chancellor and other administrators, as we meet with them regularly.

The August 29 Transition Advisory Council meeting focused on the theme of Efficiency. Presentations and discussion emphasized UNO’s great value, given the quality of education and employment outcomes produced for a relatively low student cost and debt load. However, challenges faced in achieving that value include a heavy reliance on adjunct faculty, difficulties with scheduling, bottleneck courses, length of time developing new degree programs, and a cultural and political climate in which the value proposition of higher education is disputed. Suggestions for improvement also included reviewing processes for grant seekers (e.g. differentiating processes for large and small grants, offering greater support), focusing on the success of multiple programs across the board (including workforce-essential and unique UNO niche programs), institutional support for faculty research, and leveraging community resources.

The BRT progress at NU is to follow a particular “Program Change Development Model” that proceeds from Program Definition and Design through Program Installation (where we are now, at least in part), Interim Products, Established Products, and Program Efficacy. Faculty who have comments about the BRT implementation may wish to keep this in mind, as the products generated by this budget review are themselves reviewed, measured, and refined. For instance, the UNL Faculty Senate raised questions about changes to the mileage reimbursement rates, and in particular the effects on extension faculty. Some UNO faculty also have raised questions about the economic impacts. What cost savings will be realized ultimately, particularly as behavior changes in response to the policy and the costs of operating fleet vehicles are analyzed? We will continue to follow up on these issues and feedback is welcomed.
UNO has a record-breaking incoming first-year class in Fall 2017. Faculty are to be congratulated for their incredible dedication and outreach that helped to create this success. Going forward, I would like to challenge my colleagues to redouble the effort to keep those students here all the way to graduation. What could each of us be doing – realistically, given our workloads and service - to engage those students and increase the chances of retaining them next year? Extensive research tells us that the more individual contact students have with faculty, the more likely they are to be retained and graduate. This includes student research, co-curricular activities, and advising. Your engagement with our students is an essential contribution to the value of a UNO education.

UNO representatives on the ad hoc UNO/UNMC Faculty Committee for Communication and Collaboration include: Timi Barone, Dhundy Bastola, Craig Maher, Connie Schaffer, Destynie Sewell, Suzanne Sollars, and Adam Tyma. Please contact them with comments or suggestions relevant to their communications with UNMC faculty representatives. This is a joint faculty-to-faculty committee, reporting back to the respective Faculty Senates.

President Bounds will be the guest speaker at the Faculty Senate’s next meeting on September 13 at 2:00 pm. Bounds met with the Senate last May and with the Executive Committee in August.

Questions about how Scott Campus faculty are to park for events on the Dodge Campus have been raised and will be followed up. Please let us know if Canvas training is meeting your needs and if additional specific offerings in this area would be useful.

Thank you for permitting me to represent you and please contact me whenever issues relevant to Faculty Senate may arise.

- SVC Reed says they may need more information. It is a workload issue as much as a compensation issue. Let’s have further discussion.

- BJ reiterated that summer pay is not likely to happen, as faculty select a variety of service opportunities. Regarding the three grievance committees, he feels that faculty select this type of service, similar to how faculty choose to serve on thesis committee.

Chancellor Christensen said these type of issues, like summer grievance committee work, seldom occur. He is also apprehensive of anyone who has service in the summer wanting compensation. Some service such as FS President and IRB receive workload compensation.

**2. Treasurer’s Report:** Senator Landow (August 2017) (agenda attachment – pg. 16)
IV. Executive Committee Report: Vice President Barone

A. RESOLUTION: Shared Governance

WHEREAS several important recent developments have affected UNO, including:

- Budget cuts to the NU system and an uncertain future State financial situation that may impact UNO’s academic mission negatively;
- The changes from April 27, 2017 involving the sharing of a Chancellor between UNMC and UNO;
- The August 2, 2017 BRT (Budget Response Team) implementations affecting business functions of the university;
- The August 31, 2017 restructuring plans announced for UNO and UNMC based on recommendations from external management consultants "CFAR" that include joint Vice Chancellor positions in Business and Finance and Student Success and reorganization of External Relations; and

WHEREAS the UNO Faculty Senate according to the Board of Regents Bylaws 2.12.1 has the responsibility to

“b. Act as the official voice of the faculty of which it is composed;

1. Act on academic matters that affect more than one college;
2. Advise and consult with student, staff, and administrative groups on matters of general concern, which include, but are not necessarily limited to, the budget, institutional planning, library and computer operation, student academic conduct in the classroom, and the selection of academic-administrative personnel”;

WHEREAS the UNO Faculty Senate has had insufficient opportunities to fulfill its advisory duties with respect to “matters of general concern,” “the budget,” “institutional planning,” and other changes;

BE IT RESOLVED THAT the UNO and NU administrative leadership should recognize and reaffirm the shared governance and decision-making responsibilities of the UNO Faculty Senate and honor the UNO Faculty Senate’s committee structure and consequent timeline that enable it to perform the following functions as stipulated by the Board of Regents Bylaws:

1. By Regents Bylaw 2.12.1.d, its “advise and consult” function concerning matters of general concern and institutional planning, specifically with respect to the August 31, 2017 proposed restructuring and other CFAR recommendations; and
2. By Regents Bylaw 2.12.1.c, its shared governance function, to “act on academic matters that affect more than one college”, by consulting with the UNO Faculty Senate as the official governing body and voice of the UNO Faculty, and by providing adequate time for the UNO Faculty Senate to review and decide on any future proposed changes; and

Honor the UNO Faculty Senate’s committee structure and timeline so that it is given its opportunity as stipulated by Regents Bylaw 2.12.1.d to fulfill its “advise and
consult” function concerning matters of general concern and institutional planning, including with respect to the August 31, 2017 proposed restructuring and other CFAR recommendations; and

Honor the UNO Faculty Senate’s committee structure and timeline so that it is given its opportunity as stipulated by Regents Bylaw 2.12.1.c to fulfill its shared governance function, to “act on academic matters that affect more than one college”, by consulting with the UNO Faculty Senate as the official governing body and voice of the UNO Faculty, and by providing adequate time for the UNO Faculty Senate to review and decide on any future proposed changes.

B. RESOLUTION: Support DACA Statement

WHEREAS the UNO Faculty Senate is committed to expanding educational opportunities for all of our students; and

WHEREAS the Faculty Senate joins with NU President Bounds and the NU Chancellors, standing “firmly in support of our DACA students” and assuring them that “they are important members of our community, and we are proud of their courage and commitment to their education”; and

WHEREAS the Faculty Senate on May 10, 2017, passed Resolution 4285 concerning students qualified under DACA;

BE IT RESOLVED THAT the UNO Faculty Senate affirms and supports the Statement of University of Nebraska President Hank Bounds regarding DACA and the Message from Chancellor Jeffrey P. Gold, M.D., on the U.S. Attorney General’s announcement regarding the future of the Deferred Action for Childhood Arrivals (DACA) program, of September 2017.

C. RESOLUTION: Support for Hurricane Victims

WHEREAS the UNO Faculty Senate joins the rest of the NU community in concern for the devastation caused by Hurricane Harvey in Houston, Texas and other affected communities and states; and

WHEREAS the NU leadership has offered aid and services to universities in these affected areas, which may include options for students to complete their educations or faculty to take on visiting roles;

BE IT RESOLVED THAT the UNO Faculty Senate encourages the UNO community to support those affected by Hurricanes Harvey and Irma, and stands ready to work with the NU leadership to assist our faculty colleagues and students in these areas.

PENDING
A. Grading Policy Change for “F” “FW” Grades (Policy draft 11/02/15 by Financial Support and Scholarships Office, updated 11/15/15.) (Another issue to note is verification of attendance.) (Fall 2016 w/ Senator Grams and Executive Committee) (On 3/1/17, the EC&C had these questions and asked that they be put on the EC&A agenda:
   1. Are Faculty, both full time and adjunct, responsible for records retention? On 6/7/17 President Grams stated that she will be checking with Bret Blackman regarding data security.
   (Language has been changed and will be sent to all faculty. Dismissed by EC&C 9/6/17)

B. Participation in UNO Faculty Senate (Fall 2016 to EC&C Pending)
   Need to encourage and strengthen participation on UNO Faculty Senate.
   1. One possibility might be to change the FS Constitution
   2. Discussions with Colleges
   3. Go to Chairperson mentor(s)?
   4. Go to Board of Chairs
   **How to Encourage Faculty to Serve on the Faculty Senate:** Informal data collection by the committee of approximately 40 UNO faculty members has generally revealed that **Service** of this nature tends to be acknowledged with little payoff compared to the perceived time commitment associated with governance. There is also a great deal of misinformation about the time obligations; nevertheless, most of the faculty we talked to showed little interest in this service even after we answered questions. The Goals and Directions Committee is now discussing ways to help the departments incentivize Faculty Senate and other University service opportunities by increasing by better recognizing the value of this service in ways such as higher Merit rankings on Annual Review, etc. (The EC&C asked, on 6/7/17, that this be discussed at the 8/16/17 FS Retreat.)

C. Telecommunications At the 6/7/17 EC&C meeting President Grams said she will consult with Bret Blackman concerning the recent reorganization in Telecommunication.
   (dismissed by EC&C 9/6/17)

D. Change Start Time of UNO Faculty Senate Meetings?
   On 6/7/17 the EC&C suggested this be discussed at the 8/16/17 FS Retreat.
   At the 8/16/17 Faculty Senate Retreat there was brief consideration of potential benefits and drawbacks to convening Faculty Senate meetings 15 or 30 minutes later. The matter was left to the Executive Committee to gather relevant data from Institutional Effectiveness, and report back.

V. Standing Committee Reports

A. Committee on Academic and Curricular Affairs: Senator Miller (No Meeting/No Report)

**PENDING:**

1. **Student Government Resolution for Timely Feedback from Faculty**
   Senator Kealey asked the Senate to address the Student Government Resolution to
have all faculty give timely feedback to students.
Suggestions:
1. A Hot Line for anonymous reporting for students to be given a manner to address the issue.
2. This issue can be addressed in course evaluations.
3. This issue can be addressed internally through the review process.
5. Faculty member’s use of learning management systems and adherence to professional expectations.

Senator Elder stated that the Faculty Senate owes Student Government a response and attention to the SG Resolution.
(Sent to A&CA 4/12/17) (AC&A report 4/26/17 for to discuss)

2. Need for Students to get Timely Feedback: Committee members ended the 4/26/17 meeting with a discussion of the need for students to get timely feedback from faculty members. This discussion expanded to also include faculty member’s use of learning management systems and adherence to professional expectations. The discussion will be continued at the next committee meeting. It will be included in Pending for the next EC&C meeting.

B. Committee on Educational Resources & Services: Senator Robins

The ER&S committee met 2:30 Wednesday 30 August 2017 in Criss Library.
Attending: Tej Adidam, Azad Azadmanesh, Barbara Robins, Andy Zhong, and Mark Schoenbeck. Scott Glasser was absent.

Old Business

The committee reviewed the report of activities from Fall retreat and considered the pending items for further action. Most items are in need of some investigation for basic questions before a decision can be made regarding further action. We may contact Erin King regarding transition to Canvas.

Tej reported on the UNO Student Council’s request that faculty add a statement regarding emergency communication to all course syllabi. The committee feels it would be more practical to recommend faculty add such a statement which includes links, to the Canvas page for each course.

Tej also reported on a conversation with library staff regarding UNO faculty access to UNMC library. At this point in time, the deans of the respective libraries are in discussion and anyone needing access in the near future should speak to their subject librarian.

New Business

Tej shared a personal experience with insurance that is purchased for international travel for UNO courses and/or business. We discussed those circumstances when the purchase is optional for faculty (not a study abroad course) and came to agreement that an easy way to encourage enrollment in an iNext policy is to have a line added to the form “University of Nebraska at Omaha Request for travel Authorization & Purchase of Travel.” This would highlight its importance and serve as checklist
regardless if the policy is paid by UNO entity or individual.

Azad discussed current situation in which money is being budgeted for recruitment but the process often misses the target audience because of discipline-specific knowledge that is not held by the recruiters. In the cases where faculty travel or otherwise meet with groups specific to their discipline, some money should be allotted to the department/program for that purpose. Our committee may opt to invite Omar Correa (Assist. VC Student Engagement & Recruitment) to a future meeting to discuss this but it may be appropriate for Faculty Senate officers mention in conversations with upper administration as budget items are already being scrutinized.

Mark requested follow-up information to an old committee issue regarding accommodation letters to faculty from Student Support Services. We may invite someone from this office to attend a future meeting to discuss features of these letters that create problems for some classes, especially large lecture-hall courses.

**PENDING:**

1. Canvas and UNIZEN dashboard availability. The EC&C, on 6/7/17, sent this to the Educational Resources & Services Committee.

**C. Committee on Faculty Personnel & Welfare:** Senator Elder

The FP&W committee met on Aug 30 at 2pm in DSC 208.
Present: Pauline Brennan, Griff Elder, John Noble

We continued our planning for the year, planning that was begun at the Faculty Senate Retreat.

**PENDING:**

* Follow up on status of H1B Visas audit. VC Smith-Howell said she would check on it at the 5/17/17 EC&A meeting.

**D. Committee on Goals and Directions:** Senator Arbelaez

The Committee met August 30, 2017 at 2:30 p.m. ASH 286
Present: Bradley Bereitschaft, Daniel Hawkins, Chris Kelly, Hamid Sharif-Kashani and Richard Stacy, Maria Arbelaez

The committee reviewed the items, decided at the retreat, we would work during the academic year.
1. One of our G&D members joining the UNO facilities planning committee. We are awaiting word from the committee.
2. Recruitment: We requested a meeting with Omar Correa, Chair of Enrollment. Awaiting for an answer.
3. We requested a meeting with Hank Robinson, director of Institutional Effectiveness. We want to review the data concerning enrollment, retention, and attrition. Awaiting for an answer.

4. We would like to make a proposal to amend current bylaws concerning senators’ reelection. Currently, senators will have to sit-out one year to after his/her term ends. That is to run and if elected, join the senate.

5. In relation to collaboration between UN campuses we have some suggestions for consideration:
   a. Libraries across campuses. Grant access to all UN libraries for faculty, students, and staff. At present it is a cumbersome process. One library card for all libraries would simplify the process.
   b. Allow access, across campuses, to scientific implements and programs equipment for faculty, students, and staff.
   c. Allow access to exercise facilities and programs to all faculty, students, and staff.

Pending:

1. Facilities Planning and Faculty Representation (Sent to G&D 2/10/16) – As important and continuous decisions are made regarding facilities planning on campus, we would like to see more faculty involvement in these plans, and be allowed frequent opportunities to engage in discussion with administration about facilities planning. The one committee the Faculty Senate is aware of is the University Committee on Facilities Planning, which typically meets once a year. The University Committee on Technology Resources, Services & Planning meets more frequently, but its primary focus is on the technology needs of the campus. In a previous meeting Goals & Directions met with Deb Smith-Howell to address administrative communication and questions about the University’s Strategic Plan and the Faculty Senate’s part in that process. We discussed the possibility of a more regular liaison with Dr. Smith-Howell with a representative from the F.S. Goals and Directions Committee that could increase the level of communication and information in this area.

2. Unit Based Recruiting: (Sent to G&D 8/17/16) This item has focused on how individual departments may contribute to the recruitment and retention of students in better pursuit of the University’s enrollment goals. Goals and Directions temporarily tabled this item and it will remain on our Pending list.

3. The UNO Admin responded to Resolution 4285, 5/10/2017: Deferred Action for Childhood Arrivals (DACA) with plans to draft guidelines for faculty. EC&A would appreciate members of the FacSen committee (e.g. Dan Hawkins et al) staying closely in touch with Student Affairs (Dan Shipp, Jonathan Benjamin-Alvarado) and the CFE to review and collaborate. (Sent to G&D to keep in touch 6/7/17).

4. Soliciting Faculty Insights on UNO’s Leadership Transition. (The EC&C, on 6/7/17, sent this to the Goals & Directions Committee.)

5. Mav Creed
The following was submitted to the UNO Faculty Senate. Attached below it is the resolution from Student Government, a note that the Staff Advisory Council will also pass a favorable resolution, and the Maverick Values Document. The UNO EC&C, on 6/7/2017, forwarded this item to the Goals & Directions Committee for discussion at the August 16, 2017, Retreat.

On Mar 31, 2017, at 8:32 AM, Philip Covington <pcovington@unomaha.edu> wrote:

Faculty Senate, Staff Advisory Council, and Student Government:

Over the course of about 18 months, a university task force took on the task of creating a document that captures the essence of what it means to be a UNO Maverick. The task force included members appointed by Faculty Senate, Staff Advisory Council, and Student Government. Data was gathered from nearly 900 members of the university community, with special attention given to garnering feedback from individuals in under-represented groups.

Six primary themes emerged from the analysis of the data and the task force worked to briefly define each, intentionally weaving in language from the raw data. Those six statements form the core of the Maverick values document. These community standards serve as a foundation for mutual expectations of engaging one another within this university community and with our partners beyond.

It is our pleasure to forward the document to you and ask for your formal support of its tenets before we advance it to the Chancellor’s Cabinet for final approval.

Respectfully Submitted,
Dr. Dan Shipp, Vice Chancellor for Student Affairs & Enrollment Management
and
Dr. Phil Covington, Senior Director of Student Life and Chair of the Defining the Maverick Experience Task Force

Student Government Resolution:

WHEREAS, the University of Nebraska at Omaha (UNO) is committed to creating distinctive values that all faculty, staff, administration, and students should follow, and;

WHEREAS, beginning in 2015, a taskforce of people from all areas of campus conducted and analyzed survey data, brainstormed ideas, and created a finalized document featuring the values that all UNO members should engage in and expect from others, and;

WHEREAS, two surveys were utilized to determine initial ideas for why students came to UNO, what they like about UNO, and whether they are proud to be a Maverick, and;

WHEREAS, there was data collected from close to 900 members of the UNO community, and there was a primary focus on reaching underrepresented individuals, and;

WHEREAS, after analyzing the data, the taskforce realized that the UNO community was lacking a creed to clearly define what it meant to be a Maverick and the Maverick experience, and;

WHEREAS, through extensive work, the taskforce, with assistance by University Communications and Dr. Dan Shipp, created a Maverick Value document listing the specific values as well as a statement noting that these values must be integrated in order to have an impact.

THEREFORE BE IT RESOLVED, that Student Government of the University of Nebraska at Omaha (SG-UNO) supports the Maverick Value document that
better defines what it means to be a Maverick and its integration into the University system and communities beyond.

Staff Advisory Council: On April 11, 2017, Staff Advisory Council voted unanimously to pass a resolution in support of the document spelling out what it means to be a UNO Maverick.

Below is the Mav Values Document:

We the students, faculty and staff of the University of Nebraska Omaha (UNO) hold the following community values to be the foundation of our identity as Mavericks.

As Mavericks, we commit daily to advance and support our community values:

Authenticity
We stay true to our authentic selves and respect the unique and shared histories of the other members of our community.

Integrity
We strive to make sure our words are consistently reflected in our actions and treatment of others.

Inclusion
We are committed to cultivating a campus climate that welcomes and supports people of all cultures, beliefs, identities, and backgrounds.

Service
We engage in service with others to improve the lives of individuals throughout the Omaha metro area, state and beyond.

Resilience
We rise above difficult challenges through hard work and courageous determination.

Achievement
We accomplish our individual and shared goals by reaching high personal and professional levels of excellence.

We realize that these values are only words until we integrate them into our individual and shared actions. We commit to advancing these values as Mavericks at UNO, in the greater Omaha community, and beyond.
