I.  The meeting was called to order by Vice President Hayes at 2:05 p.m.

II. The April 1, 2012, minutes were approved as written.

III. Officers’ Reports

A. **President’s Report:** Senator Rech reported

1. **Board of Regents** met April 13, 2012.
   UNO topics discussed at Board of Regents’ Meeting:
   a. Presentation of budget matters by Chris Kabourek indicated that state funding to NU campuses as steadily decreased (in 1984, 24% of NE budget went to Univ., now 18%) and this is the 5th year of flat funding by the State. There is a 21% decline in state funding per student since 2000. Tuition has risen, as a result, but each campus is still near the bottom among peer comparisons in terms of tuition costs.
   b. Approval given for Master of Science in Information Assurance at UNO
   c. Approved Fund B, University Program and Facilities Fees 2012-13 for UNO.
   d. Sports Marketing firm (Nalagen) approved for contract with UNO (company currently works with 38 universities and develops sponsorship programs, etc)

2. **Senate President Met with the Chancellor** on April 16, 2012.
   a. Chancellor accepted resolution regarding Senate representation on Strategic Enrollment Management Executive Committee and believes it is a good idea.
   b. Shared goals of Senate to have more faculty actively involved in recruiting process.
   c. Raised questions regarding the lack of funds for merit distribution. He indicated the matter is now between the AAUP & Central Administration. (There was not enough money in the fund after money was provided for promotions. Contractually, that money is obligated first. There were more promotions this year than had been anticipated, and it had never happened previously.)
   d. I asked that the information be shared with all faculty.
   e. Discussed need to keep the need for faculty resources as online offerings are development as a priority. Senate should continue to push for this.
   f. Meetings between IWCC & UNO faculty may be getting closer, but are not imminent.
   g. Graduation plans are in place….all are hoping for good weather!!!

a. Faculty could be very effective if involved within high schools with students.
b. At orientation/recruiting events, student-faculty research (FUSE) should be presented to both prospective students and parents.
c. Use Dual Enrollment as recruiting opportunity — look at model where it is a distance course & the H.S. Teacher serves as the TA, while the University professor is the instructor.
d. Possible new committee assignment within departments: Student Engagement Committee to work with Recruiting & develop relationships with parents & students.
e. Next steps: Dr. Morrice will look at "best practices" across the country and bring ideas back to faculty to share.
f. Overall impression: Faculty can have positive impact on graduation rates & enrollment, and there is a desire to move forward with these plans very soon.

4. Executive Committee and Administration (EC&A) met April 18, 2012.
Members present: Christensen, Reed, Conley, Morrice, Rech, Hayes, Winter, Smith
Senate President’s items:
• Resolutions
  o RESOLUTION 4032, 4/11/12: Representative on Strategic Enrollment Management Executive Committee: BE IT RESOLVED that there will always be a Faculty Senate representative on the Strategic Enrollment Management Executive Committee.
• Dr. Rech asked about the lack of funds associated with merit pay. SVC Reed stated that the shortage of funds was due to the unusual number of promotions and that the issue was now a contract negotiations issue and would follow the necessary procedures. Dr. Rech suggested that Dr. Reed provide information to faculty about this process. Dr. Reed stated that he would provide faculty with an explanation about the shortage and the negotiations process. Dr. Reed also stated that this was the first time this has happened and does not anticipate it happening again.
• Dr. Rech reviewed the meeting between Dr. Morrice and members of the Faculty Senate Executive Committee. Faculty and administration are both critical in the enrollment and retention of students. Discussion included the possibility of a joint meeting between faculty senate representative from UNO and Iowa Western. Dr. Reed reminded us that articulation agreements are unit specific.
• Dr. Rech also discussed the final exam schedule and suggested that not all faculty members are adhering to the final exam schedule. Dr. Reed suggested that a memo be sent reminding faculty to adhere to the schedule. Dr. Christensen also reviewed the prep week policy requiring faculty to not use prep week for finals or other major projects.
Chancellor’s items:
• Chancellor John Christensen was presented an award recognizing UNO as the Corporate Partner of the Year by the Mid-America Council of the Boy Scouts of America.

Christensen: “One clarification related to Res. 2944, dealing with ongoing support of the UCRCA budget. The decision to fund and how much to fund remains the purview of the Office of Academic Affairs.*

IV. Standing Committee Reports

A. Committee on Academic and Curricular Affairs: Senator Petrow reported the committee met on April 25, 2012. During our prior meeting, we met with Graduate Dean Smith-Howell and discussed the GA misallocation problem. After the meeting she sent the committee data about the allocation of GAs across the campus.

During our meeting we reviewed the data and discussed the problem. We discussed how the Dean has expressed interest in forming a university-level task force to investigate the problem and propose solutions. We discussed what our options are as this Faculty Senate Committee. Collectively we are interested in addressing this problem. We will collect more information about the problem and continue to discuss this matter in the fall.

End of the Year Report (A&CA)
Responsibilities/Charge: Review academic programs. The prevue of the committee includes all programs or activities that impact academics on campus, or even in the NU system – as long as those system elements impact the UNO campus.
Committee Members: Gregory A. Petrow, chair. Dale Tiller, co-chair. Other members: John Bonsell, Junke Guo, Matthew Harden, Shelton Hendricks, Wai-Ning Mei.
Recommendations for Action by the Faculty Senate (if any): Approve the program proposals for the Ph.D in Bioinformatics and the BS in Emergency Management. They were approved.
Summary of Regular, Annual Activities (bulleted):
- We had two meetings with Kris Liewer, Megan Essay and Stacey Cherry, all of whom deal with student orientation. We had two concerns. First, we were concerned that some students who lived far away from Omaha were being required to attend orientation on campus. Second, we were concerned that students were not being taught anything about plagiarism while attending orientation. On the first point, in the spring, the rule was changed, so anyone living farther than 100 miles from Omaha is not required to attend orientation. Those students can attend a two-hour “express orientation” right before school starts. On the second point, they agreed to include material about plagiarism in the student packets, and for the advisors to address the issues with the students.
- Reviewed the program proposals for the Ph.D. in Bioinformatics and the BS in Emergency Management.
- We ended the year by hosting Graduate College Dean Deb Smith-Howell to discuss the problem if the mis-allocation of GA lines across the campus. She visited and discussed the history of the issue, as well as the details and challenges. After her visit she shared with the committee data concerning the allocation of GA lines across colleges and departments at the university. We met again and discussed how to assess the magnitude of the mis-allocation problem, and we expressed interest in continuing to work on the problem next year.

Summary of Additional Activities (if any, bulleted):
Recommendations for the Committee for the Next Year (if any, bulleted):
• We expressed interest in continuing to review and discuss the issue involving the misallocation of the GA lines across campus.

B. Committee on Educational Resources and Services: Senator Maring Petrow reported the committee met April 25, 2012 to review 38 completed applications and award three Paul Beck Scholarships:
   Graduate, Full Time, $1,000: Esther N. Okamkpa
   Undergraduate, Full Time, $1,000: Holly C. Wilson
   Graduate/Undergraduate, Part-time, $500: Anne M. Hubbell.

End of Year Report (ER&S)

Members or Attendance for last meeting: Harvey Siy, Robert Smith, Jeanne Surface, Dana Richter-Egger, Patrick O’Neil, Marvel Maring (Chair)
The committee reviewed the goals and accomplishments of the past year, identified goals:

Goals for Past Year:
1) To learn about the Criss Library institutional repository—guest Assoc. Dean
   Audrey DeFrank
2) To learn about Criss Library updates—Dean Steve Shorb
3) To learn about UNO’s globalization initiatives—SVC B.J. Reed
4) To review the Tech Fee proposals and be updated on the tech fee proposal timeline—SVC John Fiene and Lanyce Keel
5) To be updated on course assessment including the common course evaluation and TABS—Carolyn Gascoigne, Joyce Crockett, Lanyce Keel, Dan O’Dell
6) To be updated on funding initiatives in the Sponsored Programs Office—SVC Scott Snyder
7) To administer the Paul Beck Scholarship—full ER&S committee

Accomplishments during Past Year:
1) The committee met with key personnel including, Audrey DeFrank, Steve Shorb, B.J. Reed, John Fiene, Lanyce Keel, Dan O’Dell, Joyce Crockett, Carolyn Gascoigne and Scott Snyder, to learn about initiatives, programs and funding that pertain to Educational Resources and Services
2) The committee reviewed 38 applications and awarded 3 Paul Beck Scholarships
   (one for full-time undergrad, one for full-time graduate, one for part-time undergraduate or graduate)

Resolutions from Committee in Past Year:
The committee did not draft any resolutions

Other Committee Work:
1) No other committee work was done
To be continued in the NEXT Year:
1) Resolution supporting the Institutional Repository, Digital Commons @UNO
2) Resolution supporting a UNO branded Author Addendum for faculty to modify publisher’s agreement, enabling them to keep key rights to distribution of their scholarly publishing

Other:
Note to ER&S committee for next year: To maximize the tech fee proposal review effort, the committee should make sure to schedule SVC John Fiene’s meeting in the early fall.

C. Committee on Faculty Personnel and Welfare: Senator Melanson (No Quorum/No Report)
End of Year Report (FP&W)
Committee members: Ana Carballal, James Carroll, William Melanson (Chair), Russ Nordman, Marshall Prisbell, Arwiphawee Srithongrung

Summary of Activities:
1. Investigated total campus smoking ban proposal
   Currently the university has the policy of not allowing smoking within 10ft of building entrances. There are currently no means of enforcing this policy other than individuals personally requesting violators to adhere to the policy.
   It has also been suggested that each building have a designated non-smoking entrances where smoking is not allowed within 25 ft or 50 ft. Designating a non-smoking entrance or a designated smoking area for each building is in the purview of the relevant Dean. Rather than a Faculty Senate resolution, the FP&W urges faculty interested in the establishment of designated non-smoking entrances or designated smoking areas to contact their Dean. It should be remembered that there will still be no means of enforcement other than individuals personally requesting violators to adhere to any policy.

2. Reviewed parental leave policies
   Current Policy: according to University of Nebraska Board of Regents Policies section 3.3.13 and the AAUP contract section 3.9.3 – 3.9.5 and Attachment B.: (I) Medical Maternity Leave (i.e., biological mother leave
   1) Paid Leave: 8 weeks is common, but is dependent on doctor’s assessment
   2) Generally excused from teaching duties (though not committee work, etc.) for the semester
   (II) Paternal Leave (i.e., biological father leave
   1) Paid Leave: Up to 5 days
   2) NOT Excused from teaching duties for the semester
   (III) Adoption Leave:
   1) Paid Leave: Up to 8 weeks for primary care giver / Up to 5 days if not primary care giver
   2) NOT Excused from teaching duties for the semester
   Having reviewed the current policy, the FP&W committee has no suggestions at this point as to how the current policy might be revised to either increase overall faculty benefits or improve overall equality of benefits in a manner that would be plausibly negotiable. It should also be noted that any suggested changes would have to be incorporated into the University of Nebraska Board of Regents Policies and, therefore, would seemingly involve the other campuses in the University of Nebraska system.

3. Investigated pricing of faculty memberships to the HPER Facility
   Having reviewed the pricing structure, the FP&W committee found the pricing structure of faculty memberships to be competitive with private health clubs offering similar services. Barring third party donations or the incorporation of memberships into the fringe benefits, the FP&W committee has no suggestions for substantially lowering the pricing for faculty. (See Committee’s “Report on the Pricing of Faculty Memberships to the HPER Facility” for further explanation.)

4. Reviewed disability leave benefits
   The FP&W committee looked into disability benefits. The most worrisome element of the current disability benefits structure is the potential costs associated with COBRA plans for faculty spouses and children. Current projections of disability benefits are built upon the presumption that faculty spouses will be employed and will be able to take on health care coverage from that employer. At this time, the FP&W committee has no suggestion as to how the benefits package
can be improved in a just manner.

5. Considered various concerns regarding staff
   The FP&W committee put forward a resolution regarding more constructive and
   consistent review and performance-based salary increases for staff.

6. Reviewed Policy Documents and Commented
   a. Conflict of Interest Policy
   b. Emeritus Status Policy

Recommendations for the committee for the Next Year: None

D. Committee on Goals and Directions: Senator Kelly reported that the Director for
   Institutional Research, Russ Smith, discussed what Institutional Research does and
   the PING web site.

E. Committee on Professional Development: Senator Winter reported the Committee
   1. Approved minutes of the 3/28/2012 meeting.
   2. The committee discussed the issue of IS support for mid-term teacher evaluations.
   3. At the last Senate meeting Senator Carroll mentioned that UNL has a summer
      course (see below) much like the 40-hour workshop the PDC is advocating.
      Online World Wide has advocated that this course be opened to the entire NU
      system (UNO and UNMC). In order for this course to be offered at a site (e.g.,
      UNO), a “branch office” needs to be set up at the site. Essentially, such a site
      would consist of faculty facilitators who would get paid – though not as much as
      for teaching a full course. A facilitator would be someone who is well-versed in
      online technology and teaching practices.

      • The UNL Summer Institute has been in place for 11 years and UNK has
        been as collaborator (e.g., has had a “branch office”) for 8 years.

      • The following questions were asked:
        i) What could have been done to make PDC aware of this sooner?
        ii) Should the PDC continue to advocate for a 40-hour week-long
            workshop whose theme would be similar to that of the UNL
            Summer Institute?
        iii) At UNO, API is in the process of developing a course that will be
            ready in the fall.

   4. Spring 2013 Local Online-Ed Conference. A question regarding this conference
      is to what extent UN Campuses will be engaged. For example, will this be put
      together by solely by Online World Wide or will session/panels be led by interested
      parties within the UN system.

End of the Year Report (PD)

Members or Attendance for last meeting: Chin-Chung Chao, Karen Hayes, Ken Kriz,
Victor Winter, Robert Woody
The committee reviewed the goals and accomplishments of the past year, identified
goals:

Goals for Past Year:
For the 2011-2012 academic year, the PDC focused exclusively on the topic of
Online Education. Specifically, our goal was to identify what could be done to
support UNO faculty in their online educations efforts.

Accomplishments during Past Year:
1) Met with BJ Reed, Deb Smith-Howell, Lanyce Keel, Karen Hein, and Leah
   Pietron in order to better understand the UNO landscape as it relates to online ed.
2) Met several times with Mary Niemic and Beverly Russell to get a clearer picture
of how UNO fits into UN efforts (e.g., UNL’s summer institute for online teaching which includes UNK as a collaborator).
3) Identification of a need to develop an online workshop to help UNO faculty develop skillsets necessary to effectively teach in an online venue.

Resolutions from Committee in Past Year: (#, and when passed)
1) none

Other Committee Work: (and which committee member was working on each) (List)
1) Victor Winter – explored potential a conflict-of-interest loophole centered around the issue of UNO faculty developing online content for for-profit institutions.

To be continued in the NEXT Year:
1) Online Education
2) TBD

   STATUS: Accomplished.

5. Implement the request and collection of end of the year reports from all Faculty Senate appointees to university committees.
   STATUS: Accomplished. However, next year’s committee will need to evaluate how well this process worked.

6. As part of our charge to review the By-Laws of the Faculty Senate and suggest appropriate revisions, the committee brought forward the amendment below:
   Amendment: Revision to UNO Faculty Senate Bylaws

RESOLUTION 4029, 3/14/12: Amendment to UNO Faculty Senate Bylaws
BE IT RESOLVED that the “Faculty Senate of the University of Nebraska at Omaha Bylaws” be changed by deleting the crossed out wording and adding the following underlined wording to Article II, Section 5 Elections:

Section 5: The election of senators shall be conducted by each college by the end of the month of January in two steps: a nomination primary and a final election. Respective college faculties shall select the nominees (e.g. by primary) vote in a primary to determine the nominees for the final election. The final ballot shall list at least twice as many names as there are seats to be filled by each college. In the event of a tie in either election, a run-off shall be conducted between those candidates. Eligible persons receiving the highest number of votes cast for the respective seats shall be deemed elected to the senate.

V. Non-Senate Committee Reports

A. Academic Freedom Coalition of Nebraska (AFCON): Professor Mitchell reported on the Board of Directors meeting which took place on April 14, 2012, at Eiseley Branch of Lincoln City Libraries.

The following are the key deliberations at the last AFCON meeting for this academic year:

Sentinel: due date for material is May 28.
Academic Freedom Video Contest: The vote of the board members present, and the votes of three not present who had expressed opinions, made the vote 7-1 in favor of
the “First Amendment” entry. This will be conveyed to Laurie Lee, who will convey it to our partners in the contest, the ACLU of NE.

Policy Coordinator: Moshman reported that LB 990, the “Pledge of Allegiance” in the schools bill, will not get out of committee this year. However, the Nebraska State Board of Education will require all Nebraska public schools teaching through 8th grade to say the pledge each morning. Individual children may remain silent and sit or stand while their classmates (not clear if the teacher is required to) stand and repeat the pledge. Moshman will testify against the imposition of this rule at a public hearing, if the scheduled time is available for him.

Membership reports:
As ACLU representative, Ball reported a disappointing result in the Kuhr v. Millard Public Schools case. A federal jury ruled for the disciplinary actions imposed by Millard on students Dan and Nick Kuhr for wearing “RIP Julius” t-shirts in honor of their friend who was murdered. Their sister, who wore a bracelet with that message, and was also disciplined, provoked a split jury with no decision on the Millard action disciplining her. The ACLU legal director, Amy Miller, is contemplating further action, while admitting that reversing the decision at present would be a long shot.
Wagner, as NCB representative, reported the success of the Nebraska Book Festival on March 31, including a presentation by Joe Starita, author of “I am a Man:“ Chief Standing Bear’s Journey for Justice.

B. Academic Planning Council (APC): Senators Adcock & Lomneth submitted the End of the Year Report

We had one meeting this semester, April 27 to wrap up the work of the committee and let us know which units would be reviewed during 2012-2013. All of the reviews took place as schedule above and all follow up meetings went well. Overall, all of the Program Reviews were effective. The question was raised if there should be a follow up visit with the unit one or two years after the event. In addition, many of the reviews continue to raise the same issues every seven years, questioning the overall effectiveness. One of the issues that came up in the meeting was a request that an official statement from the Administration be added to the review, basically a written response to the findings of the review committee. The
remainder of the business of this meeting will be listed under the recommendations for committee activities for the upcoming year. The committee was also informed that this would be Carolyn Gascoigne’s final meeting.

C. Facilities Planning Committee: Senators Carroll, Surface, or Prof. O’Hara submitted the End of the Year Report
Committee Members: (as listed on the web) Jim Carroll, Jeanne Surface, Michael O’Hara, (Faculty Senate); Terry Hynes, Bill Conley (Administration); Michael Crabb (Student); Andrew Taylor (Staff); John Amend, George Killian, Rick Hancock (Ex-Officios)

Recommendations for Action by the Faculty Senate (if any): None
Summary of Regular, Annual Activities (bulleted): submitted April 24, 2012 (By Michael O’Hara)

Just prior to Thanksgiving 2011 there was a formal meeting of the Facilities Planning Committee. A significant topic of discussion was the new signage for way-finding currently sprouting up across campus. Weeks later, early in the Spring 2012 semester, there was a large story in the Omaha World-Herald about campus facilities, especially evolution of the athletic facilities. That OW-H story contained multiple material disclosures that were news to member of the FPC. Some, but not all, of those disclosures reflected a reordering of the sequencing of actions; as well as new of new actions. Nearly all such actions appeared to be (to this FPC member) driven by choices of donors rather than driven by UoN or UNO budgeting processes. Each donor driven item satisfied a budget identified priority, but the sequencing of donor activities do not necessarily match budget without donor support sequencing.

In late April the UNO administrative department of Facilities Planning hosted the first of many open forum discussions of the campus master plan. Participation was solicited beyond the Committee and substantial participation from across campus and from across the community was obtained. This exploration and discussion was partly motivated by UoN System efforts related to sustainability. UNO staff supported the discussion lead by sustainability consultants Smith Group/ J JR (SGJJR) as well as other consultants related to implementation: Paulien & Associates and HDR. This was the first of more than six open forum meetings over the next eight months. Any segment of the campus community that desires to provide specific input ought to voice that desire now so that timely notice of future meetings can be delivered specifically to unusually interested parties as well as delivered by broadcast notification (e.g., eNotes).

D. Strategic Budget Advisory Committee: Senator Decker (No Meetings took place this year.) Following is the representative’s End of the Year Report:
Chair of the Committee: The last time we met, it was Terry Hynes and Bill Conley. The next time a meeting is called (if ever), I suspect that notification will come from either Bill Conley or BJ Reed.
Report Submitted by (Faculty Senate Appointee): Chris Decker (No meetings took place during this academic year. No future meetings have to date been called.) List of Committee Members: (to the best of my knowledge….)

E. U-Wide Fringe Benefits Committee: Professor Erickson (The April 26, 2012, meeting was cancelled.) The representative’s End of the Year Report is attached.

Chair of the Committee: Joe Anderson

Report Submitted by (Faculty Senate Appointee): John Erickson

List of Committee Members: Turan Odabosi, Kathy Smith, Bryce Abbey, Mary Heater, Debra Hope, Keith Bartels, Diane Wasser, Sharon Skipton, Joe Anderson, Laura Bashus, Robin Taylor, John Erickson, Scott Dickey, Marie Lee.

Submission Date: 4-24-2012

This is a summarized list of the October 2011 meeting items. The April 26, 2012 meeting was cancelled.

- Benefits Expansion
  The University-Wide Benefits Committee voted to pass the resolution proposed by NU President Milliken regarding the so-called Employee Plus One Benefits. There was much discussion and the vote was not unanimous but not close.

- Dependent Eligibility Audit
  The estimated savings resulting from the audit were more than $1 Million, including the cost of the audit itself.

- Health Risk Assessment (HRA)
  The HRA survey period was reduced from four weeks to three weeks to coincide with the annual NUFlex enrollment. The survey period began Monday,
November 14 and ended Friday, December 2, 2011.

- **NUFlex 2012 Schedule and Plan Details**
  The 2012 annual NUFlex schedule was distributed. The NUFlex enrollment period began on Monday, November 14 and ended on Friday, December 2, 2011.

- **Roth 403(b) Retirement Plan Option**
  New plan rolled out on July 1, 2011; 114 employees enrolled initially, but this will probably expand in the future.

- **“Retirement Plan Enrollment” Module on Benefits Webpage**
  This module was available to new Basic Retirement Plan participants on September 15, 2011 and requires a participant to enroll and access all retirement plan enrollment information and forms on the university’s benefits webpage in lieu of the Campus Benefit Offices distributing paper forms, benefit summaries, and packets to the employee. All new Basic Retirement Plan participants must access this module to enroll with TIAA-CREF and/or Fidelity.

- **Audit of the University’s Group Health Plan by Nebraska State Auditor**
  The Nebraska State Auditor is reviewing and auditing the university’s group medical plan. The audit is focusing on plan eligibility and expenses.

- **Prescription Savings Guide (iBenefit Report)**
  CVS Caremark, the university’s prescription drug administrator, mailed the annual Prescription Savings Guide (previously called iBenefit Report) to qualifying insureds enrolled in the university’s medical/prescription drug insurance plan. The Prescription Savings Guide is an innovative consumer report that generates a personalized summary of the employee’s and dependent's (if applicable) prescription history and associated recommendations for future purchases.

**Recommendations for committee activities for the upcoming year.**
- A discrepancy was noted in the NU FLEX enrollment information provided to faculty, in that the final cost of dependent coverage was actually more than the NU FLEX web site indicated during the enrollment period. This is being investigated.
