Present: Adams, Arbelaez, Barone, Elder Grams, Landow, Miller, Nash, Robins, Woody

I. The meeting was called to order at 2:02 p.m. by Vice President Barone

II. The Minutes of September 6, 2017, were approved as presented

A. President’s Report: Senator Grams reported

October 4, 2017

Dear Colleagues,

Over the past month I have been able to meet with and hear from more of you, and I greatly appreciate your comments, suggestions, and deep engagement with the life of our university. My first priority has been to meet with faculty in departments that do not presently have a representative on the Faculty Senate, but I am eager to meet with faculty in any other units as well. Any individual faculty members should feel free to contact me directly by email or phone with questions and comments.

On Sept. 6, Chancellor Gold held an open house in MBSC to discuss the August 31 restructuring recommendations, including some Vice-Chancellor positions (Student Success, Business and Finance) and external communications shared between UNO and UNMC. He also explained the strategy behind the Budget Response Team (BRT) implementations, which are a system-wide NU initiative out of President Bounds’ office. By making strategic cuts to non-academic functions of the universities and searching for efficiencies, the goal was to protect academic programs and services as much as possible. Chancellor Gold emphasized that the restructuring changes at UNO and UNMC were not driven by budgetary concerns but by the goal of greater efficiency and effectiveness. He also stressed that growth is the key to UNO’s future, as we actively seek greater enrollment and invest in community engagement as a value. UNO and UNMC will retain their distinct brand identities. Apart from that, consolidations and alignments of infrastructure or new collaborations may well occur.

The next phase of BRT implementation was introduced on Sept. 12, and an example of the changes (this one related to Human Resources) may be found here: https://nebraska.edu/-/media/unca/docs/brt/hr/human-resources-brt-strategies-rev-september-12-2017.ashx?la=en. Other information about BRT is available on the same website. Various concerns have been raised by staff related to changes concerning leave time.

NU President Bounds was the guest speaker at the Sept. 13 Faculty Senate meeting, where he answered many questions from the Senate and encouraged the faculty to be active and engaged. In a discussion of enrollment and growth, he noted
that improving retention is even more powerful than improving recruitment, with respect to having a positive impact on both institutional excellence and budget pressures. Even a five percent change in retention rates would have an enormous effect on the budget.

The UNO Student Government has been communicating with Faculty Senate about their resolutions in support of Faculty use of the Canvas LMS to communicate course information, and the general issue of faculty responsiveness and feedback. We know that contacts between faculty and students are particularly important in efforts to improve retention, and as we continue to examine this matter closely, comments and suggestions from faculty are welcomed. What are we doing well to encourage retention, and what could we be doing better? What specific steps might faculty or the Senate take to promote the goal of greater student retention? I will return to this subject again next month, because this is one of the most important goals we can pursue to strengthen our institution across the board: academic excellence, student success and career preparation, financial prospects, and both internal and external community engagement.

Although we are dealing with a difficult budget situation and it remains vital to invest resources wisely, there is no longer a $10,000 spending limit for purchase review imposed across the campus. This was removed the first day of Chancellor Gold’s tenure. All funding requests are handled on campus and flow through the Chancellor’s Council, including hiring. Other matters related to financial operations or BRT are, however, to be handled centrally.

The UNePlan Strategic Planning process is being used to develop the UNO Strategic Plan 2017-2020. This permits the entire campus to access, review, and update the strategic plan. Units may enter and track progress toward specific goals.

The NU Board of Regents visited UNO on Thursday, September 21, although the Faculty Senate was not included in that visit’s agenda. The next BoR meeting will be in Lincoln on October 5.

Many options for faculty training in Canvas, ilos, and other areas are being made available through the Center for Faculty Excellence, and faculty liaisons for instructional design are available to provide personal assistance. Kudos to Karen Hein and others on her team who are doing such great work to assist faculty and students.

Chancellor Gold is scheduled as the opening speaker for our Faculty Senate meeting on October 11, and as usual, all faculty are welcome to attend. Thank you for your engagement with and support of the Faculty Senate, which is striving to do the best possible job of providing the faculty’s voice. Let us know how we can improve and serve your needs.

Chancellor Comments:
“I care deeply about shared governance.” He stated that he is committed to working with us to make UNO the best it can be. He also said he is very open to the diversity of opinion in the UNO community.

Discussion of Shared Governance Resolution:

Comments by President Grams:
More communication in the future would help clear up any misunderstandings.

BRT Groups – there was one faculty member on one of the groups. Deans were represented, but they are not faculty.

Discussion of Resolution 4303 and 4304.

No relevant discussion.

Discussion of Appointment Resolutions:

A short discussion of the procedure took place, but no changes were proposed.

IV. Standing Committee Reports

A. Committee on Academic and Curricular Affairs: Senator Miller reported the Committee met September 27, 2017.

Present: Connie Schaffer, Stan Wileman, Burch Kealey and Holly Miller

Excused Absence: Craig Maher and Kelly MacArthur

There were two agenda items for this meeting.

The first agenda item was to review two documents sent from Dr. Smith-Howell. The documents clarify and state explicitly long-held assumptions and practices at UNO. These documents had already been reviewed by the University Educational Advisory Committee. A&CA members studied both the UNO Credit Hour Policy (document one) and the UNO Academic Policy and Guidelines on Rigor and Guidelines for Courses Carrying Academic Credit for College Credentials (document two). No changes were recommended for document one. One change was recommended for document two. The committee suggests the addition of one word (“only” in bold below) in the next to the last bullet point. The edited version is found below.

- The course does not ONLY repeat or focus on content that is offered as part of high school only curriculum.

The second agenda item focused on a student government request for adequate and timely feedback from faculty members. Senator Connie Schaffer presented assessment information from the UNO Office of Institutional Effectiveness and a NSSE summary report. The NSSE data from 2013 and 2016 surveyed students in their freshman and senior years. The results of these surveys were comparable to our CUMU peers. The survey does evaluate effective teaching practices, but not specifically “adequate and timely feedback”. Discussion ensued focused on how to acquire data that answers our question. Committee members decided that adding a question to student evaluations could provide data to show if this is a systemic problem which warrants further investigation. Possible wording for this question could be:

*Given the context of the assignments in the course, you received feedback in a manner that informed your continued learning.*

or

*Was adequate feedback on submitted assignments provided in a timely manner?*

Senator Holly Miller agreed to research the student senators’ impetus for this request.
Senator Burch Kealey volunteered to seek out sample course evaluation questions used by other universities that measure student satisfaction with faculty feedback. Senator Stan Wileman agreed to work on wording for an “adequate and timely feedback” resolution to be considered as we continue this discussion in our October committee meeting.

An additional discussion topic was brought up in the “For the Good of the Order” portion of the meeting. Members discussed the need to have decisions about pedagogical tools made by faculty members, not university support service units. Faculty members should be consulted on the tools needed to teach their students. An example of a decision that was not vetted by faculty members first is the attempted discontinuation of Scantron services. Committee members agreed to continue this discussion.

**PENDING:**

1. **Student Government Resolution for Timely Feedback from Faculty**
   Senator Kealey asked the Senate to address the Student Government Resolution to have all faculty give timely feedback to students. This discussion expanded to also include faculty member’s use of learning management systems and adherence to professional expectations.
   Senator Elder stated that the Faculty Senate owes Student Government a response and attention to the SG Resolution.
   *(Sent to A&CA 4/12/17) (AC&A report 4/26/17 to discuss)*

**B. Committee on Educational Resources & Services:** Senator Robins reported the Committee met 27 September 2017 in Mammel Hall, Room 303S.
   Attending: Senators Azad Azadmanesh, Scott Glasser, Barbara Robins, Mark Schoenbeck, Andy Zhong. Senator Tej Adidam was excused.

**Old Business:**
Student Accommodation Letters. To assist us in understanding current practices, Senator Robins invited Assistant Vice Chancellor for Student Affairs Cathy Pettid to a future committee meeting. She will attend the October 25th meeting. She also sent along a few questions for clarification of our needs and interests which we discussed. A follow-up email with our topics of interest and concern was sent to AVC Pettid.

On another matter, Senator Robins briefly reported on having located the source of the document used by UNO titled “Request for Travel Authorization and Purchase of Travel.” At a future meeting we will discuss suggestions for additions to this document to assist faculty in identifying the need for and for purchasing travel insurance.

**PENDING:**

1. **Canvas and UNIZEN dashboard availability.** The EC&C, on 6/7/17, sent this to the Educational Resources & Services Committee.

**C. Committee on Faculty Personnel & Welfare:** Senator Elder reported the Committee met Sept 27, 2017.
   Present: Griff Elder, John Noble, Marshall Prisbell, Dale Tiller
   Excused: Pauline Brennan, Tammie Kennedy.
   **Sorority Rush during the week before class in the H&K building.** This issue was brought up at EC&A on Wed Sept 20. BJ Reed says that this issue
has been assigned to Dan Shipp. John Noble is following up with Dan Shipp.

**HPER Fees.**

On Mon Sept 18, there was an initial faculty/staff wellness-based incentive program meeting in EAB 202 organized by Dan Shipp. Attending: Dan Shipp, Cathy Pettid, Joe Kaminski, Jeanne Surface, Griff Elder, Cecil Hicks, Carol Kirchner, and Esther Scarpello.

The group met to discuss how UNO could develop and pilot a wellness-based incentive program for faculty/staff. The wellness program needs still to be worked out—both programmatically and financially. But roughly, the idea is that, UNO would offer a pilot program that would partially reimburse the cost of a HPER membership based upon member usage and participation in specific wellness program elements. Tentatively, the financial incentive might be as much as a $100 reimbursement of the $150 per semester HPER membership fee. Details have to still be worked out. The working goal is to offer this pilot program starting in January (but if not January, then the following August-2018).

The working group plans to meet every two weeks. The first meeting will discuss the requirements for reimbursement.

I have been asked to put together a Faculty Senate Focus Group that this working group can consult. It seems to me that this Focus Group should be made up of 15-20 faculty, who either currently pay for a HPER membership, or think that it is realistic that they might become a member next year (under a reimbursement program). The first thing that the focus group will do is give feedback on the specific program elements associated with the incentive/reimbursement.

**UNMC Faculty Senate**

In August, we wondered whether the UNMC Faculty Senate has a Faculty Personnel & Welfare Committee that we could interact with. View UNMC Faculty Senate committee structure at:
https://info.unmc.edu/blog/facultysenate/committees/

Apparently, theirs is a very different operation.

**Summer Creep**

While most of us are on 9 month contracts, many uncompensated service obligations require summer participation. Members on the committee have their own anecdotal accounts of what we perceive to be a trend. We are hoping to discuss this topic with the AAUP, so that we can begin to connect some of the dots. We have contacted AAUP. The topic is on their agenda for Friday October 6.

**We are in regular email contact with Deb Smith-Howell on the following issues:**

**H1B Visa Audit**

From a Sept 24 email from Deb Smith-Howell, we learned that she learned from Steve Daubendiek (UNMC International Studies & Programs Advisor) that this was a random check of processes. There wasn’t a specific problem that led to the audit. These audits do not happen very often.

Meanwhile there is an on-going discussion of how UNO/UNMC can improve what we do with faculty/staff/visiting scholars and students who come here on a visa.

**Faculty/Staff Safety Processes.**

Dr. Gina Toman has been named Faculty Human Resources Officer and Assistant to the Senior Vice Chancellor. She begins her new role on October 11.

We are interested in the administration developing a website similar to the Student Safety Website.

Note: We felt that the following site makes a good model:
We expect Gina Toman will be able to address the request that there be a flowchart that will help faculty understand and negotiate the many resources that are available: Ombudsperson, EAP person, counseling, BRT, etc. What information is confidential, etc. This “flowchart” may manifest itself in the form of the website mentioned above.

**Our committee would like to follow up with the Senior Vice Chancellor and the Chancellor on a resolution passed by the Faculty Senate in late 2016.**

**RESOLUTION 4279, 12/14/16: Grievance Committees Summer Compensation**

**WHEREAS** grievance hearings conducted by the Academic Freedom & Tenure Committee, the Faculty Grievance Committee, and the Professional Conduct Committee are unpredictable and when they are initiated must adhere to a strict time-line, which can mean that they extend into the summer when faculty are no longer under contract;

**WHEREAS** the University of Nebraska Omaha depends upon faculty participation in such grievance hearings;

**WHEREAS** other participants in such grievance hearings such as legal counsel and administrators are compensated for their time;

**THEREFORE BE IT RESOLVED** that the Faculty Senate recommends to the UNO administration that the faculty members on the Academic Freedom & Tenure Committee, the Faculty Grievance Committee, and the Professional Conduct Committee all be compensated at an hourly rate comparable with what the University pays the other participants in the hearings when service on these committees extends beyond the 9 month academic year.

**PENDING:**

*Follow up on status of H1B Visas audit. VC Smith-Howell said she would check on it at the 5/17/17 EC&A meeting. The EC&C dismissed this 10/4/17.

**D. Committee on Goals and Directions:** Senator Arbelaez reported the Committee met September 27, 2017.

Present: Bradley Bereitschtaft, Daniel Hawkins, Chris Kelly, and Maria Arbelaez.

Excused: Richard Stacey and Hamid Sharif

Our meeting was scheduled for the presentation of the T. Robinson, Director of the Office of Institutional Effectiveness, who did not come. In his absence, we discussed the objectives his office states in his UNO webpage. We rescheduled the meeting with T. Robinson for October 25.

**Pending:**

1. **Facilities Planning and Faculty Representation** (*Sent to G&D 2/10/16*) – As important and continuous decisions are made regarding facilities planning on campus, we would like to see more faculty involvement in these plans, and be allowed frequent opportunities to engage in discussion with administration about facilities planning. The one committee the Faculty Senate is aware of is the University Committee on Facilities Planning, which typically meets once a year. The University Committee on Technology Resources, Services & Planning meets more frequently, but its primary focus is on the technology needs of the campus. In a previous meeting Goals & Directions met with Deb Smith-Howell to address
administrative communication and questions about the University’s Strategic Plan and the Faculty Senate’s part in that process. We discussed the possibility of a more regular liaison with Dr. Smith-Howell with a representative from the F.S. Goals and Directions Committee that could increase the level of communication and information in this area.

2. **Unit Based Recruiting**: (Sent to G&D 8/17/16) This item has focused on how individual departments may contribute to the recruitment and retention of students in better pursuit of the University’s enrollment goals. Goals and Directions temporarily tabled this item and it will remain on our *Pending* list.

3. The UNO Admin responded to Resolution 4285, 5/10/2017: **Deferred Action for Childhood Arrivals (DACA)** with plans to draft guidelines for faculty. EC&A would appreciate members of the FacSen committee (e.g. Dan Hawkins et al) staying closely in touch with Student Affairs (Dan Shipp, Jonathan Benjamin-Alvarado) and the CFE to review and collaborate. (Sent to G&D to keep in touch 6/7/17).

4. **Soliciting Faculty Insights on UNO’s Leadership Transition.** (The EC&C, on 6/7/17, sent this to the Goals & Directions Committee.)

5. **Mav Creed**

   The following was submitted to the UNO Faculty Senate. Attached below it is the resolution from Student Government, a note that the Staff Advisory Council will also pass a favorable resolution, and the Mav Values Document. The UNO EC&C, on 6/7/2017, forwarded this item to the Goals & Directions Committee for discussion at the August 16, 2017, Retreat.

   On Mar 31, 2017, at 8:32 AM, Philip Covington <pcovington@unomaha.edu> wrote:

   **Faculty Senate, Staff Advisory Council, and Student Government:**

   *Over the course of about 18 months, a university task force took on the task of creating a document that captures the essence of what it means to be a UNO Maverick. The task force included members appointed by Faculty Senate, Staff Advisory Council, and Student Government. Data was gathered from nearly 900 members of the university community, with special attention given to garnering feedback from individuals in under-represented groups.*

   *Six primary themes emerged from the analysis of the data and the task force worked to briefly define each, intentionally weaving in language from the raw data. Those six statements form the core of the Maverick values document. These community standards serve as a foundation for mutual expectations of engaging one another within this university community and with our partners beyond.*

   *It is our pleasure to forward the document to you and ask for your formal support of its tenets before we advance it to the Chancellor’s Cabinet for final approval.*

   Respectfully Submitted,

   Dr. Dan Shipp, Vice Chancellor for Student Affairs & Enrollment Management

   and

   Dr. Phil Covington, Senior Director of Student Life and Chair of the Defining the Maverick Experience Task Force

   **Student Government Resolution:**
WHEREAS, the University of Nebraska at Omaha (UNO) is committed to creating distinctive values that all faculty, staff, administration, and students should follow, and;
WHEREAS, beginning in 2015, a taskforce of people from all areas of campus conducted and analyzed survey data, brainstormed ideas, and created a finalized document featuring the values that all UNO members should engage in and expect from others, and;
WHEREAS, two surveys were utilized to determine initial ideas for why students came to UNO, what they like about UNO, and whether they are proud to be a Maverick, and;
WHEREAS, there was data collected from close to 900 members of the UNO community, and there was a primary focus on reaching underrepresented individuals, and;
WHEREAS, after analyzing the data, the taskforce realized that the UNO community was lacking a creed to clearly define what it meant to be a Maverick and the Maverick experience, and;
WHEREAS, through extensive work, the taskforce, with assistance by University Communications and Dr. Dan Shipp, created a Maverick Value document listing the specific values as well as a statement noting that these values must be integrated in order to have an impact.

THEREFORE BE IT RESOLVED, that Student Government of the University of Nebraska at Omaha (SG-UNO) supports the Maverick Value document that better defines what it means to be a Maverick and its integration into the University system and communities beyond.

Staff Advisory Council: On April 11, 2017, Staff Advisory Council voted unanimously to pass a resolution in support of the document spelling out what it means to be a UNO Maverick.

Below is the Mav Values Document:

We the students, faculty and staff of the University of Nebraska Omaha (UNO) hold the following community values to be the foundation of our identity as Mavericks.

As Mavericks, we commit daily to advance and support our community values:

Authenticity
We stay true to our authentic selves and respect the unique and shared histories of the other members of our community.

Integrity
We strive to make sure our words are consistently reflected in our actions and treatment of others.

Inclusion
We are committed to cultivating a campus climate that welcomes and supports people of all cultures, beliefs, identities, and backgrounds.

Service
We engage in service with others to improve the lives of individuals throughout the Omaha metro area, state and beyond.

Resilience
We rise above difficult challenges through hard work and courageous determination.

**Achievement**
We accomplish our individual and shared goals by reaching high personal and professional levels of excellence.
We realize that these values are only words until we integrate them into our individual and shared actions. We commit to advancing these values as Mavericks at UNO, in the greater Omaha community, and beyond.

E. Professional Development: Senator Adams reported the Committee met September 27, 2017.

Present: Julie Blaskwicz Boron, Melissa Cast-Brede, Victor Winter, Russ Nordman
Absent: Travis Adams, Zhigang Feng

The Committee decided that perhaps the best way to deal our committee's pending business about Faculty Professional Development Leave questions and concerns is to create a questionnaire that will be sent to UNO's Deans.
We thought that this might be a better option than having each of us go to our respective Deans.

To start this process I am going to create a google document with the questions that appeared in our last senate report.

- **a.** Can faculty get a full year of leave if waiting until 12 years of service instead of at 6 years?
- **b.** What are the earning restrictions while on leave (sabbatical)?
- **c.** What documents govern how leave is prioritized/awarded?
- **d.** What are the criteria for leave across colleges/departments? How consistent are these?
- **e.** Who all reviews and/or weighs in on these decisions?

Over the course of the next month we will all be contributing to this document. In our October meeting we will work on creating the questionnaire.

Along with this we wondered if there should be a questionnaire created for faculty as well that tries to find out if they have an understanding of the Development Leave procedures and criteria.

**PENDING:**

1. Faculty Professional Development Leave policies/procedures: Given a growing number of questions and concerns about this issue, our committee will be
gathering information (policies/procedures) at all levels (regents, university, colleges, departments) and comparing those documents in order to explore questions, including:

a. Can faculty get a full year of leave if waiting until 12 years of service instead of at 6 years?

b. What are the earning restrictions while on leave (sabbatical)?

c. What documents govern how leave is prioritized/awarded?

d. What are the criteria for leave across colleges/departments? How consistent are these?

e. Who all reviews and/or weighs in on these decisions? What language does the AAUP contract have regarding leave/sabbatical?

Ballots were mailed out by Sue Bishop for the campus-wide election to fill two tenured faculty vacancies on the Academic Freedom & Tenure Committee. Of the 561 ballots distributed, 227 were returned by the September 27 Noon deadline. Two ballots were not tallied by the Rules Committee as they were not properly signed and fourteen were received after the deadline and therefore invalid.

Those elected are noted below.

Completion of RESOLUTION 4311, 9/13/17: Academic Freedom & Tenure Committee

BE IT RESOLVED, that in accordance with Article 6.5.2 of the Faculty Senate Bylaws the following nominees for the Academic Freedom and Tenure Committee are brought forward by the Rules Committee for senate nomination. The ballot will be presented to the UNO Faculty.

Two tenured faculty member will be elected from the following four nominees to serve a three-year term from October 16, 2017, through October 15, 2020, to replace Carey Ryan and Richard Stacy, whose terms will expire:

- Ramon Guerra (English, A&S) (102 votes)
- Nancy Kelley (Social Work, CPACS) (118 votes) Elected
- Ziaul Huq (Management, BA) (74 votes)
- Laura Grams (Philosophy, A&S) (142 votes) Elected

PENDING:

1. The Committee continues to review which Campus & University committees require participants who also serve on the Faculty Senate, and which committees might be served by representatives from the faculty at large.

  4. Go to Board of Chairs

EC&C Added 10/4/17:

- What value is placed on service to RPT committees in different colleges?
- What value is placed on service to Assoc/Asst Deans in different colleges?

Fall 2016 to EC&C Pending cont.:

How to Encourage Faculty to Serve on the Faculty Senate: Informal data collection by the committee of approximately 40 UNO faculty members has generally revealed that Service of this nature tends to be acknowledged with little payoff compared to the perceived time commitment associated with governance. There is also a great deal of misinformation about the time obligations; nevertheless, most of the faculty we talked to showed little interest in this service even after we answered questions. The Goals and Directions Committee is now discussing ways to help the departments incentivize Faculty Senate and other University service opportunities by increasing by better recognizing the value of this service in ways such as higher Merit rankings on Annual Review, etc. (The EC&C asked, on 6/7/17, that this be discussed at the 8/16/17 FS Retreat.)

B. Change Start Time of UNO Faculty Senate Meetings?

On 6/7/17 the EC&C suggested this be discussed at the 8/16/17 FS Retreat.

At the 8/16/17 Faculty Senate Retreat there was brief consideration of potential benefits and drawbacks to convening Faculty Senate meetings 15 or 30 minutes later.
The matter was left to the Executive Committee to gather relevant data from Institutional Effectiveness, and report back.

A majority of courses are ending between 2 and 3 o’clock (14:00 and 15:00, respectively). The 4pm to 6pm timeslot is your best shot to have the least amount of faculty affected.

Senator Landow moved a motion, which was seconded, to postpone this subject indefinitely. The motion was voted down.

Senator Landow made a new motion, seconded by Senator Grams, to reconsider this subject after requesting and receiving more data. Senator Elder suggested the data be contained in a graph. This motion passed.

Subject: Pacific Street Garage permit for Faculty/Staff
Laura

As we discussed last week, and as I have been able to modify our system, Faculty/staff Pacific Street Garage permits will be able to park in the West Garage on Dodge Campus.

Day/Night permits can park anytime, Night only (after 2:30pm) will not be valid in either garage until after that time.

This will be valid for the 2017/18 academic year only. Please note that this does not guarantee a place to park. If they garage is full when the permit holder arrives, they would need to return to the Pacific Street Garage and ride a shuttle up. Parking in any other location could result in a violation. I don’t see this happening too often, but wanted to communicate this to not set false expectations.

We will communicate any changes for Fall 2018 in April of 2018 for the following academic year.

Please let me know if you have any questions.

Thank you

Representative suggestions (included as input to the surveys) for ways to reduce/prevent violations, were as follows:

- Encourage use of software for identifying plagiarism, for example Turn It In.
- Remind students we expect them to present their own work (this alone can reduce cases).
- Encourage faculty to include a link to the academic integrity statement on their syllabus and clearly state the possible consequences.
- It would be helpful if there was some way to document repeat offenders without prejudicing future instructors.

On 9.12.17, discussion with the Assistant and Associate Deans (who have been leading this effort) included the following points:

- Several steps have already been taken to implement earlier recommendations (eg. the process and policy have been clarified so that certain cases are now referred to the Assoc. Vice Chancellor for Student Success who will be tracking the data). The group will continue to monitor the situation to see if those changes were useful.
- The new Course Management System (CourseLeaf) could possibly include a link to the academic integrity policy within the template for a new course. The Assistant/Associate Deans will share this information with the deans and chairs.

NOTE: Information regarding UNO’s Academic Integrity policy can be found at the following web-site (the policy was clarified by Faculty Senate May of 2017):

E. UNO FUSE & GRACA

At UNO, both FUSE & GRACA are funded by Student Fees. Apparently, the NU system is looking at student fees. We need to learn whether any of the changes being considered have any bearing on grant funding for student research here at UNO. Depending upon what we learn, we need to respond appropriately.

(10/4/17 EC&C sent this to the Goals & Direction Committee.)
