VI. Officers Reports
A. **President’s Report:** Senator Paterson reported on the following items:

1. **Academic Freedom and Tenure Committee:** For several reasons, the membership of an ongoing case may be reduced from seven to five or even four. The bylaws require a minimum of five members, however, no guidelines are provided for replacing members under some of the existing circumstances. For this reason, Senator Paterson called for standby volunteers should the count drop below five. The next committee meeting is scheduled for 1:00 p.m. on Thursday at which time it will be known whether the service of the volunteers are needed.

Senators Clute and Sobel volunteered their services.

4. **Senators Going On Sabbatical or Retiring and Their Replacements:** Bylaws, Article III. Vacated Senate Seats, Section 5: A senator on leave of absence for not more than one academic semester need not resign, but will be temporarily replaced by the person having the next highest number of votes cast in the previous election. If the senator will be absent longer than one academic semester, he/she will be replaced and will not be entitled to the seat upon return to the campus.
   a. Thank You for Service: The senate extended its gratitude to Senator Juliette Parnell-Smith for her two years of service. Senator Parnell-Smith leaves the senate to go on sabbatical from August, 2000, to August, 2001.

5. Executive Committee and Administration Meeting, April 19

6. Chancellor’s Council Meeting, April 27

   a. Agenda (agenda attachment 14)

   b. Minutes

      (1) Considerable discussion of budget issues and the ‘bump.’
Minority-gender ratios are promising for UNO, though not for UNL or UN generally. The $500,000 allocation for diversity from the legislature is very good, though it came out of the health insurance fund.

Verbal Report: The governor approved $500,000 for minority hiring and turned around and cut the health budget by $500,000.

(2) Looking for suggestions for names for the Residential Housing units. Council voted for names of Nebraska rivers.

(3) There has been some turmoil in university affairs and staff concerning the resignation of several staff members. Vice Chancellor Buck discussed the situation stating we are doing everything we can so that employees who are released can find another position or training for another one. A certain amount of tension is present for these employees, however, due to the confidentiality of his conversations with employees he did not feel free to discuss them.

Verbal Report: Additional information became available shortly before the meeting about the situation. Concern has also been voiced directly to Vice Chancellor Buck regarding the handling of the release of staff members. The Executive Committee is aware of and plans to stay on top of this issue. Senator Metal-Corbin noted staff has been under duress for some time and need the faculty’s support.

(4) John Nieman presented an overview of current special gift dollars coming UNO’s way. The c. 16 current gifts amount to nearly 6.1 million, and involve 2 for PACS, 2 for A&S, 2 for BA, 3 for ED, and 4 for FA. Campaign Nebraska at first had a target of 50 million, raised it to 60 million, is currently at 69 million, and has a final target of 75 million for Dec. 31, 2000.

7. Budget Advisory Committee and Health Care Subcommittee Meeting, May 5: The next meeting is scheduled for Friday, May 5. Senator Paterson informed Senator Ali he would not be in attendance.

Verbal Report: Senator Ali recommended the committee be continued in the next academic year but suggested reducing its size to five at most so in order to accommodate regular meetings. Conflict of schedules amongst the large number of members made meeting difficult as the year progressed. Senator Paterson charged Senator Ali with following through on this request in the fall.

8. Board of Regents Meeting, May 12-13: The last meeting was held on March 31 and April and a report was given at the April 12, senate meeting. The next meeting is scheduled for May 12-13. There was a certain enthusiasm to quite shooting for the middle-rate and start looking toward reaching for the upper range of excellence in all aspects of education.

9. Executive Committee and Administration Meeting, May 17, Meeting Canceled: The meeting was canceled since Chancellor Belck and Vice Chancellor Hodgson
will not be in attendance and most of the vice chancellors are required to attend the Coordinating Commission meetings being held in Omaha.

10. Diversity and the $500,000 Legislature Allocation: In conjunction with the following from Sandra Squires: “I think at this point it [request from Central Administration for all diversity mechanisms at UNO] is an information gathering process to see what might be out there. But YES the FS could really help by addressing the issues of gender equity and diversity in both hiring and retaining faculty and students through resolutions next year. The greatest need we have on campus in the faculty is to get more female chairs and chairs who are people of color. This is a major problem at UNOmaha, and I think you are just the body to influence this issue. I would be happy to explore this issue more with you folks next year or whenever is convenient to talk.” The Executive Committee and Cabinet will referred this issue to a standing committee for further investigation in August.

11. Executive Committee and Administration Meeting, June 7: Senator Paterson will be out of town; the new senate vice president will preside over the meeting.

12. August Meetings:
   a. Executive Committee & Cabinet Meeting: August 9 (2nd Wed. instead of 1st)
   b. Retreat: August 16 (3rd Wednesday instead of 2nd)
   c. Executive Committee & Administration: August 23 (no change)
   d. Standing Committee Meetings: August 30 (no change)

13. Congratulation to Service Award Recipients:
   a. Retirees: Duane Aschenbrenner, Henry Lehrer
   b. 30 Years: Margaret Gessaman
   c. 25 Years: Ann Coyne
   d. 20 Years: George Engelmann, Josephine Metal-Corbin
   e. 15 Years: Bonnie O’Connell, Janice Rech
   f. 10 Years: Hesham El-Rewini
   g. 5 Years: G. Griffith Elder, Wilma Kuhlman, Jihong Zhao

14. Candidates for Vice Chancellor of Research and Dean of Graduate Studies: The Executive Committee and Cabinet interviewed the two candidates, Dr. Shelton Hendricks and Dr. Carl Fox, on behalf of the senate. The committee’s recommendation was forwarded to Chancellor Belck.

B. Secretary-Treasurer’s Report: Senator Ali reported the following:
1. **Budget Report, April 30** (agenda attachment 15-16)

2. **Budget Advisory Committee and Health Care Subcommittee Meeting, May 5:** The committee met on May 5, to review this year’s activities and prioritize the agenda for the coming year.

3. **New Charge, Intellectual Property Ownership and Scholarly Communication Conference, March 31:** At the April 5, Executive Committee and Cabinet meeting, Senator Ali was charged with obtaining a copy of the notes Robert Runyon said were available on the conference for the senate office.

**C. Vice President’s Report:** Senator Rech reported on the following:

1. **Dean’s Forum (Council of Deans):** No report has been submitted.

2. **President Smith and NU Senate Presidents Meeting (December through April):** No report; there was no meeting in April.

**VII. President Paterson Relinquishes Floor to Secretary-Treasurer Ali**

XI. Standing Committee Reports

A. Committee on Academic and Curricular Affairs: Senator Bartle reported on the following:

1. Agenda, April 26 (agenda attachment 17)

2. Minutes (agenda attachments 18-19)

3. 1999-2000 Final Report: Chairs are required to submit a summary of the committee’s activities to the senate office by May 31.

4. New Charge: Call for CPACS Departments to be Changed to Schools: At the April 12, senate meeting the committee was charged with looking into Vice Chancellor Hodgson’s requested that the senate give consideration toward the College of Public Affairs and Community Service’s recommendation that the Departments of Criminal Justice and Public Administration become schools, thereby making their status similar to that of the School of Social Work. Vice Chancellor Hodgson clarified that, if the proposal is approved locally by the senate and administration, the change would also require regental approval. He further shared concern and appreciation that academic and curricular changes requiring regental approval should first come to the senate and that such changes,
while primarily administrative, have a significant impact on the academic units involved. Vice Chancellor Hodgson asked that this issue be addressed before the end of the 1999-2000 academic year.

5. **Proposal for Reorganization within the College of Public Affairs and Community Service** (agenda attachments 20-26)

Verbal Report: A show of support for the proposal was moved from the floor by Senator Bartle, without a resolution, to be brought to the attention of administration.

Motion: The motion was seconded by Senator Shroder.

Vote: The motion was approved; one senator abstained.

6. **New Charge, Criteria Guidelines:** At the May 3, Executive Committee and Cabinet meeting the chair, Senator Bartle, requested that the 2000-2001 Committee on Academic and Curricular Affairs be charged with looking into establishing specific criteria for what constitutes a department and a school for future reference.

for the current case only:

John Shroder

Vote: The motion was approved unanimously.

5. New Charge, Resolution Supporting Formation of a Search Committees for Faculty Positions: At the April 5, Executive Committee and Cabinet meeting the committee was charged with looking into the following issue and determining if a resolution should be brought forward to the full senate at the May meeting:

At the March 1, Executive Committee and Cabinet meeting Vice Chancellor Hodgson’s suggestion that the senate pass a resolution in support of the formation of a committee to encourage equity when hiring new faculty was discussed. It was agreed further discussion that a possible resolution supporting this issue be placed on the April agenda. The following items were suggested for inclusion in the resolution: approaching hiring creatively (i.e., Senator DeLone’s colleague who doesn’t hold a Ph.D. yet is fully qualified for tenure); asking for an additional line to bring in a high profile minority faculty member; concern surrounding the NU system being required to bring in an additional 60 minority faculty by either 2001 or 2002 or suffer the lost of federal funding; and stressing that UNO needs to be intentionally welcoming to prospective and new faculty. Discussion: All agreed this should have been dealt with long before now and made part of the strategic plan. The Committee on Faculty Personnel and Welfare was charged with looking into it rather than having a hurried resolution drawn up by the Executive Committee and Cabinet.

D. Committee on Goals and Directions: Senator Nazem reported on the following:

1. Agenda, April 26 (agenda attachment 29)

2. Minutes, April 26 (agenda attachment 30)

1. Agenda, April 26: No report was submitted.

2. Minutes, April 26 (agenda attachments 41-42)

3. 1999-2000 Final Report: No report has been submitted. The deadline is May 31.

4. Resolutions:

a. On behalf of the Committee on Professional Development, Senator Engelmann moved the following:
Resolution 2455, 05/10/00: Committee on Professional Development

WHEREAS, UNOmaha has always prides itself on excellence in teaching, and

WHEREAS, the Center for Faculty Development continues to be an excellent resource for new and experienced faculty, and

WHEREAS, the University Committee for the Advancement of Teaching (UCAT) has provided opportunities for summer fellowships for faculty to develop their courses and money to further pedagogical research, and

WHEREAS, UCAT has also provided travel funds for faculty members to attend teaching conferences, often the only money available for such conferences, and

WHEREAS, funding of both has been seen as a means to budget savings in the past, and

WHEREAS, budget reallocations raise again the possibility that either program or both could suffer further cuts; therefore,

BE IT RESOLVED, that the Faculty Senate of the University of Nebraska at Omaha urges the Vice Chancellor for Academic Affairs to maintain funding for both the Center for Faculty Development and the University Committee for the Advancement of Teaching.

Vote: The motion was approved unanimously.

b. On behalf of the Committee on Professional Development, Senator Engelmann moved the following:

WHEREAS, UCR has been the target of budget cuts in the past, and

WHEREAS, the current budget situation threatens UCR again; therefore,

BE IT RESOLVED, that the Faculty Senate of the University of Nebraska at Omaha urges the Vice Chancellor for Academic Affairs to refrain from any cuts to the UCR budget due to reallocation of funds for the next fiscal year.

Vote: The motion was approved unanimously.

F. Committee on Rules: Senator DeLone reported on the following:

1. Agenda, April 26: No report was submitted.

2. Minutes, April 26: No report was submitted.

3. 1999-2000 Final Report: No report was submitted. The deadline is May 31.

4. Election Revisions: Report on the committee’s finding regarding the election procedures for the Academic Freedom and Tenure Committee, the Faculty Grievance Committee and the Professional Conduct Committee per 08/31/99 charge (copied below):

   New Charge: Senator Paterson charged the committee with comparing the three senate faculty committee’s guidelines as defined in the senate bylaws particularly in regards to the procedure and timing of the new member elections. The faculty committees are: Academic Freedom and Tenure Committee, Faculty Grievance Committee; and Professional Conduct Committee.

   This review is originally initiated by a call from Michael O’Hara, current chair of the Academic Freedom and Tenure Committee, who asked the senate to consider moving the starting date for new members from April 16th, to August or September in order to prevent them from occurring at the same time most reappointment appeals are being submitted (i.e., tenures appointments are submitted to Vice Chancellor Hodgson by the end of January, complaints are usually filed in February or March and the committee receives new members on April 16th). Unification of all three senate faculty committees was then requested by the senate coordinator after reviewing the three committee’s supporting documents and noting the similarities and discrepancies in their bylaws.

   a. Resolutions:

   (1) On behalf of the Rules Committee, Senator DeLone moved the following resolution:

   05/10/00 Φασυλτψ Σενάτε Μινοτεσ – Παγ 15

Discussion: Senator DeLone explained the circumstances. There was no discussion.

Vote: The motion was approved unanimously.

(2) On behalf of the Rules Committee, Senator DeLone moved the following resolution:

Resolution 2458, 05/10/00: Committee on Rules

WHEREAS, most cases are historically filed with the Academic Freedom and Tenure Committee during the Spring semester which corresponds with the changing membership of the committee, and

WHEREAS, the Bylaws of the Faculty Senate of the University of Nebraska at Omaha requires that the committee membership under which a case is filed be maintained until the case is resolved, and

WHEREAS, the chair of the Academic Freedom and Tenure Committee is thus compelled to manage two separate committees throughout the summer, depending on when the cases are filed, and

WHEREAS, a slate of nominees that shall include for each vacancy to be filled one more candidate than the number of vacant seats must be presented to the senate prior to the full-faculty election; therefore,

BE IT RESOLVED, that the Faculty Senate of the University of Nebraska at Omaha hereby changes the date of the election of members from April to October to allow the Committee on Rules time to present the ballot at the September meeting, and

BE IT FURTHER RESOLVED, that the faculty senate coordinator run the election to be tallied by the Committee on Rules and presented at the October meeting, and
BE IT FURTHER RESOLVED, that the senate Bylaws, Article VI, Section 6, 6.2 be amended as follows:

6.2 Academic Freedom and Tenure Committee. This committee, composed of five (5) tenured and two (2) non-tenured members of the UNO faculty, will sit on all cases covered by sections 4.14 of the Bylaws of the Board of Regents of the University of Nebraska. A committee with a case under consideration shall, when necessary, continue past April September with its membership unchanged until the case is resolved; in such an event, new cases shall be considered by the reconstituted committee.

Motion: The motion was seconded.

Discussion: There was no discussion.

Vote: The motion was approved unanimously.

WHEREAS, the Faculty Grievance Committee’s election is currently held in the month of September while the Professional Conduct Committee’s election is currently held in the month of October; therefore,

BE IT RESOLVED, that the Faculty Senate of the University of Nebraska at Omaha hereby changes the Professional Conduct Committee’s election to the month of September to run concurrent with the Faculty Grievance Committee’s election, and
BE IT FURTHER RESOLVED, that the senate Bylaws, Article VI, Section 6, 6.3 be amended as follows:

6.3 Professional Conduct Committee. This committee, composed of five (5) tenured UNO faculty members holding the rank of assistant professor or above, will consider all professional conduct cases arising under section 4.15 of the Bylaws of the Board of Regents of the University of Nebraska. The election to fill committee vacancies due to resignation, retirement, or the expiration of a three-year term shall be held no later than October 15th of at the September meeting each year.
