POSTER SESSION
Posters will be displayed during the 2017 orientation workshop for UNO programs on the 2017-2018 Academic Program Assessment Cycle (approximately 75 degree programs). During the poster session, program directors and other faculty members will be viewing the posters and likely have questions about your assessment. This is a great opportunity for your colleagues to learn from your experiences and expertise.

Date: September 8, 2017
Time: 12:00 – 1:00 pm
Location: UNO, Community Engagement Center
Lunch: Recipients are invited to an 11:30 lunch prior to the session.

Those planning to attend should RSVP to Nancy Meyer (nrmeyer@unomaha.edu).

POSTER REQUIREMENTS
Posters will be designed by recipients and must be formatted using the 48"(w) x 36"(h) research poster template available through University Communications.

Only one poster is required for mini-grants with multiple recipients.

At a minimum, posters should include the following information:
- Name of course, program, or General Education distribution area
- Participant name(s) and unit(s)
- Objectives (Option A) or SLOs (Options B, C, and D) which were assessed
- Description of the assessment tool created or revised as a result of the grant
- Scoring rubric (or other instrument)
- Established proficiency target
- Results of one administration of the assessment (or timeline for collecting/analyzing results)
- Next steps

Recipients should send a pdf of the poster to Nancy Meyer (nrmeyer@unomaha.edu) no later than August 28, 2017, and retain an electronic copy for their records and use.

The Center for Faculty Excellence will print the posters and hang them the day of the event. The Center for Faculty Excellence will retain printed posters so they can be shared at future events.
