

## Course Redesign Grant UCAT Grant Guidelines

### Overview

The University Committee for the Advancement of Teaching (UCAT) oversees the application and review process for a number of faculty grants. Grants are intended to support work in improving instructional practice and student learning experiences in any UNO learning environment.

This **\$500 grant** is intended to support individuals redesigning one course as part of program development / improvement.

### Notes

- All UCAT grant applications will be completed through UNO's MavGrants system. No paper copies of applications will be accepted.
- All applications MUST be reviewed by your UCAT college representative prior to final submission. A list of college representatives may be found on the Center for Faculty Excellence (CFE) web site at [facultysupport.unomaha.edu](http://facultysupport.unomaha.edu).
- Poorly described, incomplete, or unclear applications will be rejected.
- The rubric used to review your application is below. Please review before submitting your grant application.
- Faculty may not receive more than one award for this grant category for the academic year.
- Applicants will be informed of the funding decision following the UCAT committee meeting held after application deadline.
- All previous grant reports must be turned in prior to consideration of new grant applications.

### Follow-Up Requirements

- A 2-3 page final report describing the implementation of your course redesign project, should be submitted to the UCAT Committee via MavGrants **at the end of the semester in which the redesigned course is offered.**
