The courses have been taught; the tests and assignments have been given; and you have your assessment data in-hand. Now what?

Dr. Sam Clinkinbeard (Criminology & Criminal Justice), Dr. Becky Pasco (Teacher Education), and Dr. Peter Wolcott (ISQA) will share their experiences of how their programs have reviewed assessment data, asked key questions, and come to make decisions based upon these interpretations in efforts to continuously improve student learning and program outcomes.

Participants are encouraged to bring their questions and ideas for analyzing and interpreting end-of-program assessment data.
