Title of FLF	Accomplishments
Chairs/Director Leadership Forum	Addressed issues and identified strategies associated with annual review and working with difficult faculty and staff
Pre-Tenure Faculty Leadership Forum	Continued developing support networks for new and un-tenured faculty. Areas of focus included scholarship and research resources and project management.
Best Practices for Speech Communication for Business and the Professions	Program planning for Speech Communication courses, identifying learning outcomes and teaching strategies that could be adopted by faculty.
Service-Learning and Community Engagement Scholarship	Participants regularly discussed and identified strategies for supporting Community Engagement as one of UNO's strategic priorities. Peer mentoring and furthering the scholarship of engagement are areas of additional focus.
School of Communication Lectures & Instructors	Group focused upon strategies and resources supporting the professional success of part-time faculty teaching in the School of Communication.
Social Science Research Methods and Methodology	Qualitative research -- from methodology to analysis and software options -- was the focus of this leadership forum. Resources and broader campus-wide supports for this type of research were discussed.
