

OPPORTUNITY TO CONNECT AND COLLABORATE

The Center for Faculty Excellence seeks full- and part-time faculty interested in forming a Community of Practice (CoP) around the creation of Civil, Safe, and Inclusive (CSI) classrooms.

Following CoP guidelines, participants will come together to identify specific outcomes for the group and then meet regularly throughout the academic year. A stipend will be awarded to those who attend meetings and identified CSI workshops hosted by CFE and other related campus activities during 2017-2018.

Contact CFE by September 29, 2017.
