MISSION

The mission of the Gender and Sexuality Resource Center is to foster and promote equity, access, and inclusion for all genders and sexualities through education, resources, advocacy, and activism. This office provides specific programs and services for women, lesbian, gay, bisexual, queer spectrum, trans spectrum, intersex, asexual, non-straight, and gender non-conforming (LGBTQIA+) peoples, and survivors of interpersonal violence in the University of Nebraska at Omaha community.

Additionally, this office advises and supports the missions of the Queer and Trans Services (QTS) and Women's Resource Center (WRC) student agencies, which are immediately next to the Gender and Sexuality Resource Center on the first floor of the MBSC.

SAFE SPACE

Creating an environment of inclusion takes more than organizations and support groups. It takes individuals open to learning more about others and themselves and creating a positive and accepting environment.

A "safe space" is a place where students can find shelter from harassment, violence, or sexual abuse, but can also feel free to discuss ideas, questions, and concerns for themselves and for others.
