

# PRE-TENURE FACULTY

## FACULTY LEADERSHIP FORUM

### PEER MENTORSHIP & DISCUSSION GROUP

FRIDAY AFTERNOON | CRISS LIBRARY

The group is comprised of 20-25 pre-tenure and non-tenured faculty who meet once a month on Friday afternoons at the Faculty Lounge of Criss Library. The goal of this forum is to provide an informal peer mentorship, support and discussion group for new faculty. For each meeting, UNO "experts" are invited as guest speakers to lead an informal discussion and Q&A with the group participants on the topic of the day.

### TOPICS OF DISCUSSION

During the first meeting in September, the group brainstorms and decides the topics that will be discussed during the year. Topics discussed during the 2017-2018 academic year included:

- Center for Faculty Excellence services and resources
- Reappointment, Promotion, and Tenure (RPT)
- MavGrants
- Study Abroad
- CCMS & Courseleaf
- Benefits for Pre-Tenure Faculty
