LIBRARY SERVICES FOR FACULTY

Reserves
Faculty may place library, personal, or photocopied materials on reserve for student use. The Library encourages the use of E-Reserve, but items can also be placed on print reserve.

Interlibrary Loan & Document Delivery
Articles and book chapters available in the library can be scanned and emailed to you. Faculty may borrow items or request copies of journal articles from other libraries. No fee is charged for materials requested via Interlibrary Loan.

Checkout Privileges
- Books: 16 weeks with two renewals
- Periodicals: three days with one renewal
- Videos and other A/V materials: one week with one renewal
Renewals may be made by phone to the circulation department or by logging into your account online. Faculty members are encouraged to recommend materials for addition to the Library collection. Contact your Subject Specialist Librarian (see list on reverse) for more information.

Faculty Study and Faculty Study Carrels
All current faculty are eligible and welcome in the Library Faculty Study located on the south end of third floor. Access to the Library Faculty Study, including the lounge, kitchen, and scholar reading room, is by Prox Card. Fifteen faculty study carrels located within the Faculty Study are available for sharing on a semester basis.

Creative Production Lab
A full media production lab, including 3D printing and scanning, large format printing and scanning, video and audio services, laser cutting, and Oculus Rift is available for all UNO faculty, staff, and students. Hardware, such as cameras, tripods, and microphones are available for checkout.

Faculty Library Assistant (FLA) Program
Faculty may authorize up to two people to conduct business at the Library on their behalf with a Faculty Library Assistants (FLA) Library Account.

Library Instruction
Faculty are encouraged to contact us to integrate library instruction into their courses. At any point in the semester, you can request one of our librarians to provide hands-on, active learning sessions for your students. Since our lessons are tailored to your specific subject and class, we recommend you start by scheduling a consultation with your subject librarian.

Promotion and Tenure
The library has services to help you obtain tenure. See libguides.unomaha.edu/RPT for more information.
