

UNIVERSITY OF NEBRASKA AT OMAHA
GENERAL EDUCATION COMMITTEE
AGENDA

Friday September 8, 2023
1:00 pm – 3:00 pm – via zoom

1. Items for Discussion:

QUESTIONS TO CONSIDER

1. What expectation do we have for writing in Gen Ed? What does this mean/look like?
 - a. Or are we trying to generally encourage higher order levels of thinking and communication in our general education?
2. Are the list of outcomes appropriate? Are there too many or too few?
 - a. Do we expect courses that satisfy a particular dimension to assess multiple outcomes? Certain key outcomes? Do the courses choose from a list?
 - b. Do we encourage other methods of assessment?
 - c. What other levels of review might be important?
3. What should we call the new dimension (a life well lived?, ethics? Something else?)
4. What amount of course redevelopment funds might be appropriate for courses?
 - a. Do we limit the number of courses in a particular discipline that would be eligible for course redevelopment money?
5. How might we put faculty teams together to determine integrative elements for each dimension and sub-categories, modify outcomes as needed, and establish criteria for courses?
6. What questions would you like to add? Please do so on [this document](#) located in our sharepoint site.
