

**UNIVERSITY OF NEBRASKA AT OMAHA
GENERAL EDUCATION COMMITTEE
Minutes Sept 1, 2023**

1. Welcome/Introductions
2. Discussion
 - a) Gen Ed curricular reform
 - A draft mission focused general education proposal/model was shared with the Committee.
 - The Committee is generally supportive of the foundational elements of the proposal – mission, vision, purpose of general education as well as the proposed outcomes and the need for a more integrated curriculum.
 - b) The Committee recommended more discussion at our next meeting prior to taking any further action.
3. BLST 2520
 - a) The Committee recommended M. Tracy reach out to BLST to determine if an urgent need or other extenuating circumstance warrants review of this course at the present time given the moratorium for general education reform.
4. The Committee determined a need exists to hold weekly meetings through at least the end of October. Denise will update calendars accordingly.

Next meeting September 15, 2023 1-3pm via zoom
