## GPCs: UPDATED APPLICATIONS

This summer the upcoming Summer 16, Fall 2016 and Spring 2017 graduate applications will be created and set for release in early September. The program specific questions within the application, which applicants respond can be modified for this release of the application. The requirement updates you may have made to the admission process in SmartCatalog will also be implemented into this new release of the application. As a result, the only area needing review now is the questions section. Please review this section and let Penny Harmony know by May 16 if you wish to make changes or to leave the application as it exists. Penny can be reached at [pharmony@unomaha.edu](mailto:pharmony@unomaha.edu) or 402-554-2936
