

GRADUATE STUDIES HAPPENINGS

BLACKBOARD ANALYTICS

The Graduate Studies Blackboard Analytics Dashboards were unavailable throughout the weekend due to the addition of administrative site data to the system. This addition allows UNO to report students who are attending UNL under a UNO program. The Graduate Studies dashboards are now accessible. Please visit www.unomaha.edu/analytics to access the dashboards. If you have questions please contact Keristiena Shenouda (kshenouda@unomaha.edu) or Penny Harmony (pharmony@unomaha.edu).

NEW PROGRAMS

The following programs have been approved for Fall 2015:

- Bachelor of Science in Biomechanics
- Executive Master of Science in Information Technology
- Master of Arts in Critical and Creative Thinking
- Graduate Certificate in Intelligence and National Security

The applications for these new programs are currently in development and we will go live with websites and applications later in July.

GRADUATION

The deadline date for students to apply to graduate in August 2015 and avoid the late fee is Friday, July 10, 2015. Students can apply late for August graduation up through 5:00 p.m. on August 8, 2015. However, a \$35 late application fee will be assessed in addition to the regular \$35 graduation application fee. If you have any questions regarding graduating students or graduation, please contact Alicia Andry at aandry@unomaha.edu or extension 4-2519.
