SAVE THE DATE
The Graduate Program Chair (GPC) Breakfast will take place on Wednesday, September 23rd at 8:30 a.m. in the MBSC Umoho Room.

NEW PROCESS FOR GRE SCORES
The Office of Graduate Studies is now receiving official GRE scores electronically from ETS. This means that applicants’ scores will be arriving more quickly than with the previous method of delivery. Official GRE scores should be arriving within approximately 10 days after the applicant requests the scores be sent as opposed to the 3-4 weeks that it previously took for delivery via USPS. If you require the GRE score for your program application, scores will still be viewable in WebNow within 24 hours of our office receiving them. If you have any questions, please contact Alicia Andry at 402-554-2519 or aandry@unomaha.edu.

NEW STUDENT ORIENTATION
We are compiling information about each program’s orientation in an attempt to better understand the onboarding strategies of each department. If your program provides an orientation for your new students, please send us an email with a simple explanation of what it entails, what materials you hand out, and any other relevant information! Please attach any documents and handouts to the email. Responses can be sent to graduate@unomaha.edu.

UNOFFICIAL TRANSCRIPTS
Starting mid-September, we will be allowing students to use an unofficial transcript during their admission process. More information will be available shortly after classes begin. If you have any questions, please contact Penny Harmoney at pharmoney@unomaha.edu

WELCOME!
The Graduate Studies Team would like to welcome you all into the Fall semester! We are here Monday-Friday from 8-5 to answer any questions or help out in any way. Have a great semester!
